NAPLES COMMUNITY PARK USE AND MAINTENANCE AGREEMENT

Agreement made _____, 2021, between the Town of Naples, 106 South Main Street, County of Ontario, State of New York, referred to as “Town”, and

Naples Central School District, 136 North Main Street, Naples, New York, referred to as “School District”.

WHEREAS, the Town owns premises known as the Naples Community Park referred to as the “Park”, located on NYS Rte. 245, Naples, NY 14512; and

WHEREAS, the School District conducts activities at the park including, but not limited to, practices and games for the sports of soccer, softball and baseball; and

WHEREAS, the Town has consented to such use subject to certain restrictions and specifications.

Now therefore the Town and the School District agree as follows:

1. The Town hereby grants to the School District, its students, staff, guests and invitees, including other school teams, staff and guests, the right, privilege and permission to enter into and upon the Naples Community Park premises, for the purpose and use of conducting the following: soccer games and soccer practices; baseball games and baseball practices; activities related to such games and practices; other miscellaneous activities; and field maintenance, as hereinafter provided. Such grant shall include the two (2) soccer fields and the varsity baseball field between the driveway and the westerly boundary of the park, spectator facilities, parking areas, rest rooms, concession stand and other areas of the Park. The School District acknowledges that the Naples Community Park is a municipal park and therefore its access to and use of Park facilities will not be exclusive.

2. Mowing of the fields and all areas adjacent to the fields to the west of the driveway shall be the responsibility of the School District. Such responsibility shall include the providing of personnel for mowing. All mowing and/or necessary maintenance shall be performed in a good workmanlike manner. The school district may use the tractors owned by the Town and designated by the Town for the mowing. Those tractors shall be used only for mowing at the Park by the School District. The school district may obtain fuel for those tractors from the Naples Town Highway Department during the hours that the Highway Department personnel are on duty. Such fuel shall be used solely for Park mowing. Only School District personnel who have been approved by the Town may operate the tractors. The Town shall provide annual maintenance of the tractors each spring, as well any necessary repairs. School District personnel shall be responsible to perform regular operational maintenance, including but not limited to, checking and maintaining proper lubrication of the tractors and implements. The School District shall notify the Town Clerk, in a timely manner of any operational or repair problems with either the tractor(s) or the associated implements.

3. With respect to its use of the soccer and baseball fields, the School District shall be responsible for lining those fields for school events, repairing turf damage on the fields and reseeding areas of the fields requiring such reseeding due to the use thereof. The School District shall further have at least one (1) portable toilet facility on site near the playing fields during the respective playing seasons for the subject fields.

4. The Town Board consents to the installation of a “home run fence” in the outfield of the varsity baseball field, the expenses of which shall in no way be the responsibility of the Town of Naples. It shall be the responsibility of the School District to maintain said fence for the entirety of the time that the School District utilizes the varsity baseball field, including weed control, padding and any other accoutrements thereto. Upon installation, the “home run fence” shall become the property of the Town of Naples as a fixture upon the park grounds. Advertising signs shall not be affixed to the fence without prior written approval from the Town Board of the Town of Naples. The home run fence shall be no more than ten (10’) feet in height and extend from the left field foul line to the right field foul line, be approximately 300 feet from home plate along the third base line, approximately 310’ feet from home plate along the first base line and approximately 385 feet from home plate through the pitcher’s mound to centerfield. Foul ball posts approximately fifteen (15’) feet in height may be installed at the left field and right field foul lines. The design of the home run fence shall be subject to final approval of the Community Park Board.

5. The School District may also make use of the Park grounds for other activities such as picnics, outings, hiking, academic and recreational activities, rallies and any other legal purposes for which the Park may be used by scheduling through the Town Clerk. The School District shall advise the Town Clerk at least thirty (30) days in advance of all planned activities at the Park, other than with respect to the use of the of soccer and baseball fields.

6. In addition to the use of the soccer and baseball fields the School District shall have responsibility for scheduling use of those fields by organizations and individuals other than the School District. As part of such scheduling the School District shall require the execution of a use agreement in a format and with content approved by the Town Board of the Town of Naples, prior to use of the fields. Such use agreement shall be prepared by the legal counsel for the Town for each such use. The school District shall require each applicant for use of the fields to fill out an application form in a format approved by the Town, a copy of which will be forwarded expeditiously to the Town’s legal counsel, who shall prepare the use agreement and forward same to the School District, which shall then arrange for execution by the applicant and the School District. Upon execution of the agreement the School District shall provided copies hereof to the Naples Town Clerk and the Town’s legal counsel. The Town will retain authority for scheduling of activities at Naples Community Park Facilities other than the soccer and baseball fields.

7. The School District acknowledges the long-term cost of maintenance and development of the facilities at the Park. Accordingly, the School District agrees, in addition to its other obligations set forth herein, to pay to the Town an annual use fee in the amount of \$2,500.00. Such fee shall be utilized by the Town solely for non-routine maintenance and development costs related to the Park, including Park equipment acquisitions. The Town may, in

its sole discretion, apply such use fee either on an annual basis or as part of a reserve fund for future Park costs, either in whole or in part each year.

8. Each year the Town Board shall provide a sum equivalent to that paid by the School District pursuant to paragraph “7” hereof, which sum shall be utilized for non-routine Park maintenance or development purposes, either within the year in which such sum is provided for current expenses, or with any funds not so applied paid into the Park Reserve Fund.

8.a. Non-routine maintenance shall mean repairs or replacements of equipment or facilities that are exceptional in cost and not normally incurred on an annual or other frequent occurrence.

9. The Town agrees to consult with the School District as to the application of Park Reserve Funds prior to use thereof. Such use, however, shall ultimately be the decision of the Town Board, provided the use is for non-routine maintenance or development of Park facilities.

10. The School District acknowledges that the Naples Community Park is a Municipal Park and therefore is open to the public, except when particular facilities at the Park are reserved in advance for specific activities.

11. The School District shall comply with all applicable laws, ordinances, codes and regulations in connection with the use of the premises by its students, staff, guests and/or invitees.

12. Any open fires at school activities shall be in a location approved by the Town and subject to the following:

- A. No open fire is permitted on any of the playing fields. The fire area shall be clearly roped off in a circle with a radius equal to at least one and a half times the height of the fire material or a minimum of 20 feet. No one not responsible for maintaining the fire shall be allowed inside the roped off area.
- B. The fire material shall be built up in a manner that will result in the material falling in on itself, rather than falling outward, as the material burns.
- C. Maxfield Hose Company shall be notified at least ten (10) days prior to the event in order to arrange for a truck and crew to be on stand by.
- D. Proper ignition of the fire must be utilized to minimize sparks and embers.

- F. Any recommendations made by Maxfield Hose Company personnel with respect to the fire shall be implemented.

G. Any requisite permits(s) for such bonfire shall be obtained and filed with the Town Clerk.

13. The School District, its students, staff, guests and invitees shall not serve or possess, either for sale or otherwise, any form of alcoholic beverage on, in or adjacent to the Park grounds.

14. The School District shall be responsible for prompt clean up of any debris and litter subsequent to the termination of activities and/or events on the Park grounds.

15. The School District shall be responsible for any damage to the facility caused by either the School District, its students, staff, guests and/or invitees as the result of any activities carried out at the Park by the School District.

16. The School District will provide a general liability policy of insurance covering the activities at the Park with a minimum limit of One Million Dollars (\$1,000,000.00) naming the Town of Naples as an insured. Proof of such coverage shall be delivered to the Town Clerk of the Town of Naples within ten (10) days of the date of this Agreement. Such coverage shall continue throughout the term of this Agreement.

17. In consideration of the privilege herein granted, the School District will not claim any damages from the Town in connection with or on account of any injuries or damages arising in or on the above-described property while being used by the School District, its students, staff, guests and/or invitees, and the School District further agrees to indemnify and hold harmless the Town from all claims or damages, including costs of the defense thereof, in connection with the use of the park grounds by the School District and its students, staff, guests and invitees, including other school teams, staff and guests.

18. This agreement shall be for a term of five (5) years from the date hereof.

19. This agreement may be revoked upon ninety (90) days written notice by either party to the office of the other party. ONTARIO COUNTY LOCAL 835,**

The Naples Central School District (hereinafter referred to as the “District”) and the CSEA, Inc. (hereinafter referred to as the “CSEA”), (collectively referred to as the “Parties”) are parties to a collective bargaining 2019-2023 Agreement (hereinafter referred to as the “CBA”) and recognize:

1. Article VII, Section 7.1 of the CBA provides a Health Reimbursement Account (“HRA”) benefit for certain active unit members;
2. Article VII, Section 7.3(A)(a)(iii)(6) of the CBA provides a HRA benefit for certain active unit members;
3. Article VII, Section 7.4 of the CBA provides a HRA benefit for certain retired unit members;
4. Retired unit members with HRA balances sometimes stop using these funds, but the District continues to pay management fees to keep them open; and
5. The Parties wish to resolve this matter amicably and in the best interest of the CSEA and the District.

Therefore, the Parties agree as follows:

1. If a current or future retired unit member has a balance in his/her HRA account pursuant to Article VII, sections 7.1, 7.3(A)(a)(iii)(6) and/or 7.4, he/she must make at least one qualifying use of his/her HRA on an annual basis if the account balance is between \$101-\$200. If there is not at least one (1) qualifying, annual use after the balance is between \$101-\$200, the remaining funds shall revert immediately back to the District.
2. If a current or future retired unit member has a balance in his/her HRA account pursuant to Article VII, sections 7.1, 7.3(A)(a)(iii)(6) and/or 7.4, he/she has until June 30 of the next fiscal year to spend down the account when it has a balance of \$100 or less. Any remaining funds after one year has passed shall revert immediately back to the District. For example, if a unit member goes under \$100 on June 1, 2021, they would have until June 30, 2022, before the money reverts back to the District.
3. The Parties agree that this change shall affect both current and future retirees. Due to this change, the District shall notify all currently retired unit members of the new HRA requirements.

4. Paragraphs 1 and 2, above, shall be incorporated into Article VII, section 7.4 in the successor to the 2019-2023 CBA.

ONTARIO COUNTY LOCAL 835,**

The Naples Central School District (hereinafter referred to as the “District”) and the CSEA, Inc. (hereinafter referred to as the “CSEA”), (collectively referred to as the “Parties”) are parties to a collective bargaining 2019-2023 Agreement (hereinafter referred to as the “CBA”) and recognize:

1. The CBA is silent in respect to incentives for recruiting school bus drivers; and
2. The Parties have discussed the difficulty in recruiting Bus Drivers; and
3. The Parties have met and discussed offering a temporary monetary bonus to any unit member who refers a new driver appointed in the District.

Therefore, the Parties agree as follows:

1. A unit member shall be eligible to receive a recruitment bonus if (1) the unit member refers an individual to the Head Bus Driver to be a regular bus driver; (2) the applicant lists the unit member as the referrer on his/her job application; and (3) the District ultimately hires the person as a bus driver.
2. The recruitment bonus shall be a maximum of \$500 per individual referred and paid after the following milestones are reached:
 - a. A one-time payment of \$250 to the unit member after the referred bus driver has worked for 6 months at the District; and
 - b. A one-time payment of \$250 to the unit member after the referred bus driver has worked for one year at the District.
3. The referral bonus shall only be effective for referrals made between July 1, 2021 – June 30, 2023.
4. Each of the payments referenced in this MOA are one-time payments only that are not added to base wages. In addition, the payments shall only be made to unit members who are actively employed on the milestone dates.
5. If more than one unit member refers the same applicant, the determination of eligibility for the monetary bonus will solely be based upon the name that the applicant lists as the referrer on their job application. The recruitment bonus will not be split.
6. This MOA does not apply to the hiring of substitute bus drivers.

7. This MOA shall sunset and be considered null and void on June 30, 2023, unless extended in writing by the Parties.
8. The parties hereby acknowledge that they had the opportunity to be advised by counsel or a labor relations representative, and/or CSEA Unit Officer regarding this Agreement, that they have read this Agreement, that they fully understand its contents, and that they have executed the same and made the agreement provided for herein voluntarily and of their own free will.

Naples Central School Board &
Superintendent
Dear Matt and Board:

3/25/21

I am sending in the permit applications now for the Naples Grape Festival. My hope is there will be vaccines widely available to all by July and therefore any who wish to be vaccinated will have both doses before the end of September 2021. We plan to have fewer vendors, require vendors to vaccinate or wear masks or both, & have sanitizers and wash stations available. The music tent will move to the back of the driveway as discussed last year but we will not ask for tables and chairs for food court as we cannot possibly adequately sanitize between uses. The worst case scenario would be to be denied the ability to hold the festival 2 years in a row.

On the school side of things, we request once again all parking areas associated with the school, the availability of 2 staff members or contractors of your choosing to assist with logistics, and if possible to acquire the corner of Academy and Main and "Shorty's" Corner up Main Street 50 feet for vendors. The balance of the school front lawn to be used by senior class etc. We also request the use of the former bus garage area if it is in useable condition at that time.

I realize there are a lot of moving parts still to be determined and am requesting you do not make a final decision until August so we have a better handle on where things stand with state guidelines etc. The date for this years' festival is 9/25-9/26. We are proceeding with planning as though this will all work out and while I know there is a chance it won't I prefer to be a glass half full kind of event planner. The community could sure use it and I think it would be wildly successful.

Thanks for your consideration.
