Public Comment: Guest Stefan Welch stated he is a former cleaner at NCS, noting he appreciated everyone here and he loved his job very much, adding that his current schedule would allow him to be a substitute night cleaner if needed.

Board Response: Board President Jake Hall stated the District appreciated all of Stefan’s hard work especially during Covid and also appreciated his tweets and the pride that he took in his job, thanking him for all of his hard work.

Points of Interest: Board President Jacob Hall stated the school held its Holiday concerts, adding it’s amazing how long it has been since we have had a concert and hopefully we can continue, adding the High School is gearing up for the annual Musical.

Mr. Hall stated he would like to welcome our new Superintendent of Schools, Mr. Kevin Swartz, welcoming him to the Naples family, adding he knew Kevin wanted to be here in person but he appreciated his leadership in taking things virtual.

Superintendent Recognitions and Updates:

Superintendent Swartz thanked Mr. Hall and wished everyone a Happy New Year, adding being in quarantine was not the way he envisioned his first week as the Superintendent. Mr. Swartz noted he had such a warm welcome with cards, gifts, notes and well wishes as well as videos from the students and staff on Monday, adding he had heard about the warmth and kindness of the Naples community but when he walked in Monday morning he truly knew what it felt like to receive that type of welcome, thanking the students, teachers, board and community for such a warm welcome.

Superintendent Swartz then addressed the increased incidence of Covid cases in the district, adding he has been very impressed with the job our students have been doing with masking and social distancing, noting Covid testing kits went home yesterday with all of our students containing two Covid rapid tests, thanking the building principals for coordinating the distribution of the kits, and noting the district hopes the testing kits will help prevent further spread of the virus.

Superintendent Swartz stated Covid has affected every sports team, noting several teams were on pause over break and now other teams are on pause, adding Athletic Director Greg Parzych stated every school across our region is dealing with the same issues, and we don't know until game time if there will be enough athletes to compete, as well as dealing with an official shortage due to Covid infection. Mr. Swartz thanked AD Parzych for managing this very fluid situation, and thanked the coaches, students and their families for being flexible. Superintendent Swartz also thanked the nurses, administrators, teachers and other staff for managing the increased Covid numbers with such grace and flexibility, and pinch hitting where needed as numbers continue to rise.

Mr. Swartz noted he was hopeful to begin his entry interviews with a focus on learning more about what people value in Naples; points of pride; things people think we could work on moving forward; expectations that constituents may have of him; as well as hopes and dreams people have for the district. Superintendent Swartz noting some of the interviews have been pushed forward due to his quarantine, however he hopes to have about fifty interviews scheduled over the next six to eight weeks, and he that the information from the interviews will help drive our goals moving forward.

Administrative Updates:

Elementary Principal Kris Saucke: Ms. Saucke presented an Operation Santa update for Mrs. Kelly VandeSande, stating Kelly could not be here tonight but she is very grateful to have been able to lead this great group of students, noting Operation Santa had provided gift cards to 143 children as well as additional food coupons to about fifty-eight families, adding this speaks to our generous community who donate each year to support the families touched by Operation Santa.

Instructional Point of Pride: Ms. Saucke commented on the work of Jessica Mothersell, our new Math Intervention teacher, along with instruction coach Carrie Grove, and Anneke Radin-Snaith, under the supervision of Katie Piedici in piloting the new math intervention program, noting it connects back to previous professional development, curriculum mapping, progress monitoring, and benchmarking.

Social/Emotional Point of Pride: Ms. Saucke stated the Character Education team met with HS Guidance Counselor Bill Murphy to plan a career awareness week in May which ties into the district wide counseling plan, noting the activities will be about a week long and may involve some parents and other community members.

Elementary Principal Saucke noted we have to be very honest about the challenges we are dealing with in relation to the rise in Covid numbers, so instead of canceling opportunities we are doing things in a different way or pausing on the time line, noting for example the third-grade play will postponed until later in the spring. Ms. Saucke stated they have had to be pretty creative in covering some of our staff positions as well, adding she cannot sing the praises of our nurses enough, as well as our staff for being flexible and supportive of each other.

Secondary Principal Nicole Green: Secondary Principal Nicole Green stated she had met with Assistant Principal Heather Clark earlier about what to present this evening and one point of Instructional Pride stems from the Team 7 Project Based Learning project that just kicked off today, noting this year the focus is on wellness and students have met over the last couple of days to brainstorm in small groups to come up with project proposals, adding the wellness piece has to be around either social, emotional or physical wellness and the students will be presenting their projects at a wellness fair in the spring.

Social/ Emotional Point of Pride: Mrs. Clark took the lead with Guidance Counselor Bill Murphy the week before winter vacation, organizing NCS Winter Spirit Week with different activities each day and each student who participated could be entered into a drawing for prizes.

Mrs. Green stated Covid continues to be a minute to minute challenge, noting our nurses are doing an amazing job dealing with all of the extra duties associated with Covid; we are working on a tutoring program for students who are out on quarantine, targeting those students who are falling behind because they are quarantining, depending on the student's health and wellness. Ms. Saucke stated they are excited to be doing that district-wide.

Superintendent Swartz thanked the administrators for working not only on the academic challenges, but also the social/emotional piece, noting our students look forward to those special events like the play or a sporting event and when those things get taken away it can be very emotional, thanking them for recognizing the great work the nurses are doing.

Director of Technology, Instruction and Professional Development Anneke Radin-Snaith spoke about ViewSonic Project, noting they are working 1:1 model, noting it is point of pride to see how everyone has jumped right in to use the new screens.

Mrs. Radin-Snaith updated the board on the interview process for someone to replace Senior Computer Services Assistant Bernie Barnoski, adding retired employee Lew White is helping out until the new hire is chosen.

Mrs. Radin-Snaith stated it is important for the district to move forward and focus on the instructional piece, noting it is difficult with students in and out due to Covid.

Director of Pupil Personnel Katherine Piedici stated an Instructional Point of Pride is they have three self-contained classrooms in the Elementary, highlighting the Jodie Schwartz and Michelle Brodericks' programs, stating both of the programs are going so well that they have four out of the ten students going into mainstream opportunities, working towards getting back into co-taught classrooms, noting that is really exciting.

Mrs. Piedici announced that out-of-district placement students are doing very well, passing all of their classes, adding we don't ever want to have students leave our building but it is great to know it was the right choice.

Social/ Emotional Point of Pride: Mrs. Piedici stated they are looking into the possibility of bringing on more help, commending our in-school psychologists, counselors and staff for consistently going the extra mile to help students and their families.

Board discussion followed pertaining to information presented.

Student Representative Max Ryan spoke briefly, noting sports teams are really struggling with low numbers, especially in Basketball, and in addition, about one third of the sports officials are out with Covid; each student was given a Covid testing kit; they are starting to prepare for midterm exams from January 26th to the 28th; National Honor Society Induction will be on January 24th; Winter Regents were canceled by NYS; Marching Band and Colorguard begin practice in January; practice for the Musical has begun; Indoor Soccer tournaments will be held on February 12th for the girls and February 13th for the boys for the first time since Covid started.

School Business Administrator Chad Hunt stated the American Rescue Plan application has been resubmitted, noting every school in the Wayne-Finger Lakes area had to resubmit their application; the district has started the process for developing a budget for the 2022-2023 school year, noting he is hoping to have the first state aid run in the next 30-60 days; the bond resolution and the budget amendment were on the agenda for approval; Mr. Hunt will be meeting with department chairpersons on Monday to discuss the purchase of student school supplies for the next school year. Board comments and discussion followed pertaining to information presented.

Facilities Committee Report: Board Member Carter Chapman noted the committee had gone over the Capital Project, reviewing the schedule with SEI and LeChase, discussing additional meetings with stakeholder groups, noting SEI will; discussed ViewSonic project and concerns around the carts; they discussed the proposed Capital Outlay Project, noting they received quotes for the repair of the pillars, etc. at the main center entrance to the HS leading to the auditorium.

AGREEMENT made this 5th day of January 2022, by and between the Naples Central School District (“District”) and the Naples Teachers’ Association (“Association”).

WHEREAS, the Association and the District are parties to a collective bargaining agreement covering the period July 1, 2018 - June 30, 2022; and

WHEREAS a state of emergency has been declared by New York State concerning the outbreak of the COVID-19 virus; and

WHEREAS the outbreak of COVID-19 may result in the cessation of traditional school operations for periods of times; and,

WHEREAS the Governor of New York and the New York State Education Department have required a continuity of learning for students during any COVID-19 closure; and,

WHEREAS, the District and the Association agree that there is mutual desire to maintain a continuity of learning during any COVID closures; and,

WHEREAS, the Association and the District have mutually engaged in planning instruction and learning for students; and,

WHEREAS, changes have been made in the traditional school operation while school is still open for the delivery of education, as a result of the public health emergency caused by COVID-19, including hybrid learning and remote learning; and

WHEREAS, if any part of this agreement or any application of the terms of this agreement shall be found to be contrary to law, then such part or application shall not be deemed valid, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect; and

NOW, THEREFORE, the parties agree as follows:

1. Unit members are expected to perform their duties during school closures related to COVID-19 and will continue to be paid their regular annualized salary along with all other contractual benefits during school closures related to COVID-19.
2. If the school goes remote and/or hybrid, teachers will provide instruction and educational support using District provided and supported platforms, materials, e-mail and other technology to engage with students.

3. If the school goes remote, teaching may be, but is not required to be, delivered through synchronous (live) instruction. Teachers will be available to review and respond to student and parent questions and inquiries during regular school hours, via District provided e-mail, phone calls or other secure or district approved platform communication tools.
4. If a unit member needs a computer/device and/or mobile hotspot at home, the district will provide it to them, to the extent practicable. These devices must be used for educational purposes only.
5. If the school goes remote, for any unit member who does not have a regular classroom teaching assignment (e.g., guidance counselors, social workers), the parties agree that these members will perform their duties remotely, in good faith, and will maintain regular contact with students as may be required to perform their work duties.
6. If the school goes remote, unit members may be required to participate and perform duties for CSE meetings and/or other meetings scheduled by the District during the regular school hours.
7. If the school goes remote, unit members will not be required to provide home educational opportunities on any day he/she is on an approved leave of absence. The provisions of the collective bargaining agreement shall apply (e.g., utilization of sick leave, personal leave, bereavement leave). A unit member on unpaid leave at the commencement of the closure, will remain unpaid until the expiration of the unpaid leave, unless otherwise required by law. A unit member utilizing sick leave at the commencement of the closure will continue to utilize sick leave during the period of closure, or until the unit member is approved to no longer be on medical leave, unless otherwise required by law. Unit members may avail themselves of other leaves as provided for by state or federal law, if applicable, and/or by local agreement between the parties.
8. Quarantined Students - Students put into quarantine by the Ontario County Department of Health, or another County Department of Health in the district, will receive a comparable learning experience while in quarantine, such instruction may be asynchronous or synchronous, but shall not be required to be synchronous. Teachers will put material and assignments into the Learning Management System and be available to quarantined students for questions by email during regular school hours.
9. Unit members who are quarantined and/or asymptomatic and/or caring for a family member under quarantine or who are experiencing some symptoms on the COVID symptom list and cannot report to school but who feel able to teach may choose to teach remotely from home. If desired, the unit member must obtain approval from her/his supervisor. If approved, there shall be no deduction from the member's leave accruals for that time period.

10. COVID testing which is required as per NYS law shall be made available to members during the contractual school day, free of charge. Other members who are not required to be tested but who wish to be tested may be tested for free during the contractual school day, provided the district has the capacity to include them in the testing.
11. Sports and Extracurricular Activities: If a season can be completed or almost fully completed, the coach/advisor or coaches/advisors will receive their full stipends. If there is a significant lengthening or shortening of the season or a significant addition of responsibilities to the coaching duties related to the COVID public health emergency, the Superintendent and Association President will meet to discuss the changes and agree upon a fair compensation for the sport.
12. The parties recognize the changing nature of this situation and agree to meet and discuss the changing needs of the students and unit members.
13. Due to the public health emergency and to follow the guidance from the Center for Disease Control, changes have been made to the traditional school instruction; depending on what may happen this year, this could come to include that some students are learning remotely, and to maintain social distance, that most other students attend school according to a hybrid schedule. Any changes related to the pandemic, including remote and hybrid instruction, have been adopted for health and safety purposes during a pandemic; they are not precedent setting once the pandemic emergency has lifted and once it is safe to resume traditional school operations.
14. All terms and conditions of the collective bargaining agreement between the District and the Association are in full force and effect. Entering into this Agreement shall not modify the collective bargaining agreement. Rather, this Agreement shall apply only for the specific and limited purpose of addressing the unique challenges presented by the outbreak of COVID-19. It shall not set any precedent or practice regarding any aspect of the collective bargaining agreement. This Agreement shall expire and be of no further force and effect upon the conclusion of the 2021-2022 school year, unless extended in writing by the parties.
15. This Agreement may not be amended or modified orally; the Agreement can only be amended or modified by written agreement, signed by authorized representatives of both parties.
