Superintendent Recognitions & Updates:

Superintendent Update:

Superintendent Swartz stated the Senior Prom will be held at Bristol Mountain on Saturday, noting he is looking forward to having the opportunity to stop by, thanking all the people behind the scenes who make this wonderful event possible for the students, adding the students are very excited this week as that special day approaches for them.

Mr. Swartz noted the District has begun the interview process for the Technology Coordinator position, and the District will also continue the interview process for the position of Director of Student Learning, Curriculum, and Assessment which will start Thursday with screening interviews going into early next week, thanking District Clerk Pam Claes for her help with the phone calls and scheduling.

Mr. Swartz commented that in the past month or so things have been quiet regarding COVID, however the District has seen somewhat of an uptick in COVID cases in the weeks since the April break both with staff and students, noting because of the increase in numbers we have had to cancel some games due to lack of players, adding a lot of other teams regionally are dealing with the same thing and hopefully we can get through this wave with in the next few weeks, reminding those present that COVID test kits or KN95 masks are available through the school nurses to anyone who needs one.

Superintendent Swartz also noted the District has had to cancel several games due to a lack of officials, both in Monroe County and in Ontario County they do not have the number of officials required to cover all of the games being played, noting where we would typically see multiple officials, we are seeing only one official, adding Athletic Director Greg Parzych is working hard to make sure those games can be made up because we want to give kids every opportunity to play.

WFL BOCES Presentation:

Secondary Principal Nicole J. Green introduced Erin Fairben from WFL BOCES who was there on behalf of Dr. Vicma Ramos. Ms. Fairben stated she had been admiring all of the artwork, adding it is such a beautiful school, then introducing Lynn Gay, the WFL BOCES Board President, Shannon Coholon, Principal of the Finger Lakes Tech & Career Center, Chef Julie Harrington who teaches Naples Student Kaylie White.

Chef Julie thanked the board for allowing them the opportunity to speak with them about the various opportunities the students from the area districts have in the WFL BOCES, noting student Kaylie White would be speaking specifically about the Culinary Arts program at the Finger Lakes Tech & Career Center, noting she is blown away each and every day by the things the students are engaging in.

Naples Central School student Kaylie White stated she is a senior at Naples and she has been attending the Culinary Arts program at Finger Lakes Technical & Career Center for two years, noting she had made the decision to attend the program because she has always loved to create food and during the COVID shutdown she made the decision to pursue the program and that is what would make her happy. Kaylie noted she has had the opportunity to learn the essential skills to begin in the field, noting the Center has a large commercial kitchen for use in the program and the experience she received in the Culinary Arts program has made her more confident and qualified in restaurant positions, adding she will attend FLCC for Business to further help her achieve the goal of opening her own restaurant. Board discussion followed pertaining to information presented and other programs offered through the Finger Lakes Technical & Career Center.

Facilities Committee Report:

1st Vice President Joseph Callaghan presented the Facilities Committee report, stating the committee discussed the following:

Capital Project - Phase 1- HS roof has been submitted to SED, SEI is working with Elmer Davis to see if this can be put on their schedule for this year. They are interested in this and feel it could fit into their schedule. Determination needs to be made as to whether or not the district has a use for the current stone on the roof. Keeping it does not result in any additional cost.; Phase 2- SEI and LeChase have been meeting to review schematic design drawings; LeChase is assembling the schematic update and an estimate is being put together and the district will review. No surprises to note. Within the next few months, we will need to look at seat samples, rigging, etc. Committees should reconvene in June to have further discussion.; 2021-2022 Capital Outlay Project - HS exhaust fans: Crosby Brownlie submitted final pay app. The work is completed and Day Automation will be in prior to June 1.; 2022-2023 Capital Outlay Project - ES Exterior doors and fascia- SEI continues to assemble information for SED submission. NCS will provide the brochure, vote tally to SEI and they will then submit to SED.

Facilities Updates - The High School main entrance stone work turned out beautifully. Paint will be added once weather warms. The new flag pole is up and looks terrific. Lighting (hard wired electric) has been ordered and will be installed.

Other Items - Day Automation quote came in, it was approximately \$65,000 over and part of the capital project. Consensus is to leave this in for now, however, this quote could change.; The elevator should be replaced and up and running within a few weeks. Dave Voss is currently rolling the fields and we will plug it afterward. We will need to keep an eye on drainage due to issues and damage caused last year. This needs to be a priority going forward.

Board discussion followed pertaining to information presented.

Budget Process

Guiding Question...

Does this budget provide flexibility to meet our District goals and priorities?

- The Naples Central School District challenges and supports all students to develop their diverse talents and abilities in a safe environment with rigorous opportunities. Students will graduate with the skills and confidence needed to excel in their chosen pursuits.

Entry Interview Takeaway...

- ▶ Key to sustained greatness is understanding that many of our approaches, systems, and structures must remain constant while others must continue to evolve based on the changing needs of our students, community, and larger world around us.

District Resident: 22 years

Education: Grade School @ St. Marks & High School @ Canisius High in Buffalo, NY, Bachelor in Business in Marketing at University of Notre Dame, 1970, Masters of Special Education, D'Youville College, 1999

Profession: Special Education teacher with WFL Boces at the Red Jacket Education Center from 2000-2021. Currently Retired.

Community Involvement/Activities: None

Family: Born & raised in Buffalo, NY. I have 2 brothers and 2 sisters. Married to Patricia. We have 4 children and 15 grandchildren.

Personal Statement:

My earliest memories of a library is using the Fairfield branch in Buffalo as a student getting materials for school projects. We summered in Port Colborne Ontario and used the local library for our "mandatory" daily hour of summer reading. As a middle school teacher, we had a daily picture book read and discussion and the OWWL system was an invaluable source of materials for my monthly themes. As a Trustee, I would be interested in doing anything I could to facilitate or expand the current library services to the Naples community.

District Resident: 17 years

Education: Middlesex Valley Central School, Keuka College - Bachelor's Degree, Special Education, Geneseo State College - Master's Degree, Special Education

Profession: Retired Teacher, Naples Central School

Community Involvement/Activities:

- Community Park Groundskeeper Volunteer
- Hospice House Volunteer

Family:

Wife: Donna

Sons: Kory & Mark Bay

Daughter: Greta Voss

Grandchildren: Mitch, Evan, Adam, Polly, Max, Wyatt, Oliver, Jessica, Lilly & Bernie

Personal Statement:

I am a retired Elementary teacher who believes the library is an important part of our education. It is important that our children learn early that a library card is a ticket to adventure. Time spent in the library can provide a multitude of opportunities that remain with us a lifetime.

District Resident: 10 years

Education: BA in Speech Communication, Ithaca College, Summa Cum Laude, 1990, MA in Theology, Concentration in Youth Ministry, Fuller Theological Seminary, 1995

Profession: Homeschooling Parent, Part-Time Computer Programmer for Cornell University

Community Involvement/Activities:

- Current Library Board member
- Seneca School for Performing Arts Volunteer

Family:

Husband: Jonathan Jensen

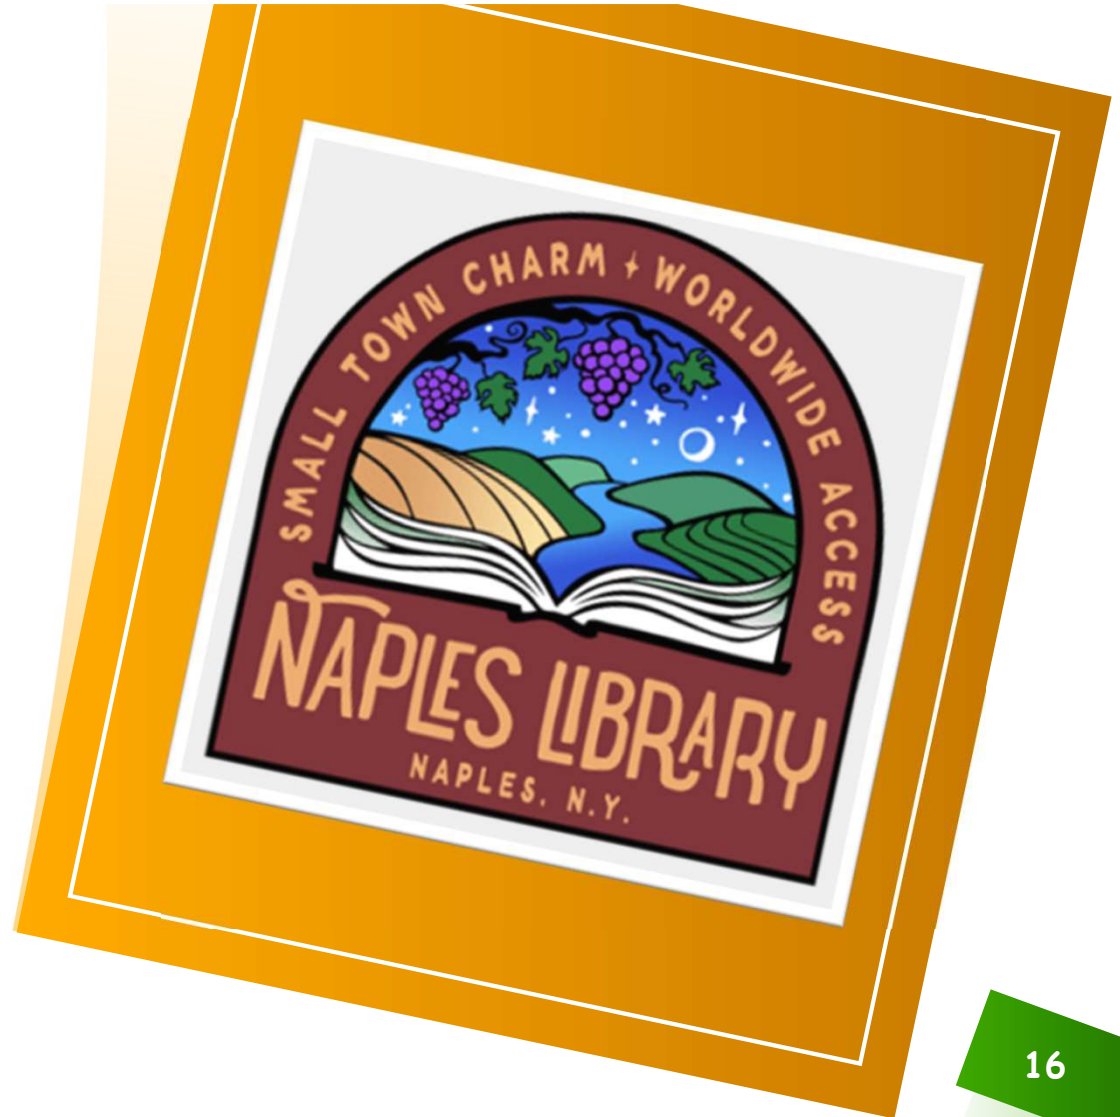

Children: Molly, Kate, Leif and Luke

Personal Statement:

I have highly valued libraries as long as I can remember and have made extensive use of them - whether for school, work or personal reasons. I have been a regular patron of the Naples Library for years and believe that it is an invaluable addition to our community. The resources provided by the library meet so many needs. The various materials and programs help the people of the Naples community with academic research, entertainment, volunteer opportunities, children's programming, community building, and the list goes on. I have found the library staff to be knowledgeable, friendly and helpful. We are lucky to have them. I am a current Library Board member and I believe I have made a valuable contribution to the Board. I would like to serve for another term.
