Points of Interest:

Board Member Amie Levine stated Skiing Sectionals were held over the weekend and the team did great.

Board Member Maura Sullivan stated the Elementary West All County Music Festival was held the previous weekend and the students did an awesome job.

Superintendent Recognitions & Updates:

Superintendent Swartz thanked Fine Arts Department Chairperson Phil Bariteau for being there noting over the last few months there have representatives from different departments at each board meeting adding Mr. Bariteau would be presenting information on what is happening in the Fine Arts Department.

Fine Arts Department Report

Department Chairperson Phil Bariteau presented a video which introduced members of the department, including Mrs. Gretchen Pulver, Elementary School Librarian; Mrs. Abby Castle, Elementary Art and Technology; Mrs. Melissa Neubauer, Middle School Art; Mr. Paul Frazer, High School Art; Mrs. Margaret Crabb, 6th – 12th Vocal and General Music; Mrs. Julie Austin, Elementary General Music and Music Therapy; Mr. Will Hope, Elementary Instrumental Music and General Music; Mr. Philip Bariteau, 7th – 12th Instrumental Music; and Mrs. Elizabeth Dormer, Elementary STEAM, and detailed activities throughout the Fine Arts Department. District Priorities within the department were to complete the first stage of curriculum writing; continue to provide our students creative opportunities and outlets such as projects and performances that will support their social and emotional needs; continue to provide materials and equipment to students so all students have an equal opportunity to thrive in our classes, differentiating instruction within our content areas to include all ability levels; Continue to improve our learning spaces to meet the needs of our students; and excitedly participate in any planning of our new auditorium. Mr. Bariteau thanked the board, noting this is school district has the best Board of Education support for fine arts and always put kids first, adding they appreciate all the work the board does.

Superintendent Swartz thanked Mr. Bariteau for his presentation, noting he loved the video format, expressing his appreciation for the work that went into preparing the video.

Student Elective Survey

Secondary Principal Nicole J. Green shared the results of the survey (Attached), noting this project ties into our mission statement, that we are challenging and supporting all students to develop diverse talents and abilities in a safe environment with rigorous opportunities and that students will graduate with the skills and confidence needed to excel in their chosen pursuits, which is why the district is looking at these alternative opportunities. Superintendent Swartz shared information from a conference he had attended some time ago showing how the rate of student engagement from 5th through 12th grade, noting a very significant dip in student engagement by 9th grade, adding he feels strongly one of the biggest missions is to help flatten that line, trying to determine what the District can do between 6th and 11th grade to prevent that drop in student engagement. Mrs. Green stated when she and High School Guidance Counselor Bill Murphy were introducing the survey to the students, none of them really new what an Agriculture Program was, so they showed the students a couple of videos showing what the program would entail, and asked them which career areas interest them, adding many showed interests in areas such as Business Management & Administration, Law; Medical. Automotive Trades, Education, Information Technology, etc. that the district does not offer. Mrs. Green stated the vast majority of the students, 97%, showed interest in additional agriculture subjects and 64% were interested in getting more information on FFA, adding the takeaway from this survey is that we should continue to pursue establishing a program. Mrs. Green stated there is a lot of preliminary work being done this year and next year the focus will be forming a steering committee with stakeholder groups to determine how to move forward, adding there is usually a work-based component associated with the program so we would need some business who would be interested in working with us along the way, noting the vision for this is not just upper High School but Middle School as well with the goal to get more hands on activities in grades 7-10 to keep kids engaged. Superintendent Swartz expressed his appreciation for the effort that has gone into the compiling the survey, adding his biggest takeaway is meeting the needs of students who are not planning to go onto a four-year college. Discussion followed pertaining to information presented.

Superintendent Update

Superintendent Swartz stated they held the final round of stakeholder committee meetings for the Capital Project, noting the meetings were very positive, working out final details for the project. Mr. Swartz noted that because of the age of our Auditorium it falls under the State Historical Society review and their recommendation was to be true to the historical design of the ceiling and walls, so SEI design has updated the design to comply with the recommendations, adding the stakeholder group was excited with the changes, noting the changes do not affect function in any way. Superintendent Swartz stated they are waiting for a follow-up meeting with the Playground Committee, waiting for some specs and final pictures of the playground which should come within the next month, adding the District hopes to receive word from the State Education Department within 10-12 weeks.

Superintendent noted Student Representative Nedelcho Neumann was unable to attend and shared information in his stead, noting winter sports are winding down, our Bowling team took 3rd place in sectionals; Skiing has had some successes, adding Sadie Gursslin had a 4th place finish in the individual competition; Both the Boys and Girls Basketball had their Senior Nights last week, noting the Girls Team won a great game coming back in the second half, the Boys Team lost a tough one but they competed well, adding sectionals will be on the 21st for the girls and the 22nd for the boys; Swimming sectionals are currently going on with prelims today and Friday.

Superintendent Swartz announced that Seussical the Musical would be held March 2nd through March 4th, shortly after break, adding he hoped to everyone there.

Superintendent Swartz stated the District continues to receive Covid test kits from Ontario County, so if anyone needs a kit to just request one from the Nurse's office.

Administrative Update

Director of Pupil Personnel Katherine Piedici stated she had been to some trainings along with some of our teachers on Reading Horizons, a program for 4th-12th grades we received through a grant, adding the training was well received and they are hoping to get the program going as soon as possible as it will be a nice resource for our students; Mrs. Piedici noted she had attended a legal updates training at Harris, with some good updates to bring back to the team; The department is planning for next year, noting we have some students aging out and some new students coming in, which comes with a lot of planning for high needs students and what shifting may need to happen between buildings or even within buildings to really support those needs.

Elementary Principal Kristina A. Saucke stated the Elementary All-County concert was great with 28 kids participating, 12 in Chorus and 16 in Band and when you look at the number of students participating from bigger districts we have as many students there, noting that speaks to the great job our teachers are doing; Our 1st and 2nd grade students went on a field trip to the RPO yesterday, noting the program is great there and the students were fascinated by the experience, thanking Julie Austin for organizing the event for the students; They are looking to have students from the Naples Jolly Ranchers 4-H lead a day along with students from the Mt. Morris FFA at the Elementary school; Safe Harbors will be coming in after break sharing a developmentally appropriate program; They are doing a lot of planning around how the Capital Project will impact the classroom spaces next year, adding they developed a draft plan; The after school program is going very well, the 1st session was completed and there were no behavior or

Naples CSD Policy Committee Agenda/Minutes

2/15/23

Members Present: Amie Levine, Maura Sullivan, Steve Mark, Kevin Swartz

Agenda Items:

1.) Graduates of Distinction Decision & Next Steps

-The committee discussed the feedback shared from a prior BOE meeting and we reviewed a draft BOE resolution that set forth rationale for our decision to move away from the program. Maura suggested that we alter a section of language to indicate that going forward, the district as whole (not just the BOE/Policy Committee) would seek ways to recognize, engage, and utilize NCS graduates to support the learning of our current students. Kevin will revise the resolution and present it for approval at the next BOE meeting.

2.) NCS Code of Conduct Review/Approval

-Annually, we are required to review our Code of Conduct. Kevin & the administrative team reviewed the document, which was last approved in 2020. There was consensus that the code currently serves us well and that it aligns to BOE policies. BOE members can review prior to March 8th and share any suggestions. If there are no, we will aim to approve the Code of Conduct formally at the 3/8 BOE meeting.

3.) Sharing of mandatory policy updates/changes from legal review.

-All committee members were provided with a copy of the edits/changes suggested for our mandatory policies by Ferrara and Fiorenza. We will provide a few more weeks for review. Jake and Kevin have reviewed and are in agreement with the proposed shifts as written. It is our hope to move forward with approving the policy changes during a March BOE meeting.

Kevin is working to create a document that can be used to track our review of all policies; this should give the Policy Committee focus as we move forward.

4.) Title I Parent Policy Addition

-This is the one policy that NCS did not have and is required by NYS law. Using a template from our attorneys, Kevin, Lindsey, and Katie drafted the policy and we have shared it with our PD committee who were in approval. We will move forth to get this policy adopted during a March BOE meeting which will ensure compliance with the law.
