Superintendent Recognitions & Updates:

<u>7th Grade Project Based Learning Presentation</u> - Superintendent Swartz introduced High School Math & Technology teacher Antone Olney who worked along with a team of teachers on this year's 7th grade PBL presentation noting he was blown away by the richness and the work these students have done. Students Kate Schumacher, Nola Sullivan, Quinn Mumby, Etta Austin, Lilly Betrus, and Erica Meteyer then presented their project pertaining to the pros and cons of various alternative energy sources including wind, solar, hydropower, geothermal and ethanol.

A period of Board discussion followed pertaining to the information presented with the board commending the group on a great the presentation, noting how proud they were of the students participating in the talk.

<u>Student Representative Update</u> - Student Representative Garett Waltman announced the Varsity Tennis Team had a win yesterday, which was awesome to hear; the Interact Club is hosting a basketball again against the staff, with Elementary & High School teachers on April 25th; the National Honor Society is working on a Teacher Appreciation week which will be starting the beginning of next month.

<u>Superintendent Update</u> - Superintendent Swartz announced that the EV Buses have arrived, noting it has been a year and a half long project, thanking School Business Administrator Chad Hunt, Bill Harvey at Leonard Buses, and Transportation Supervisor Pat Elwell for all of their work in bringing this to fruition. Mr. Swartz stated Mr. Elwell took the 1st run with students and is currently training all of the transportation staff on the new buses, adding we're really excited to see how they continue to perform and it's nice to see the end result of a job well done.

Superintendent Swartz noted we're approaching our NYS Testing and thanked Technology Directory Ben Pursell, Elementary Principal Kristina A. Saucke, Secondary Principal Nicole J. Green, Assistant Secondary Principal/Data Coordinator Heather Clark, and Director of Student Learning, Curriculum, and Assessment Lindsey Evershed-Pursel for all of the behind the scenes work that makes the testing run smoothly.

Mr. Swartz updated the board on the search for an Elementary Principal, noting they had held screening interviews that week and they will be moving to the committee round of interviews the next week.

Superintendent Swartz stated the board would not be adopting the 24-25 budget that night as the state has not yet approved their budget, noting their sources say negotiations are continuing and there may be adjustments to the funding allotted to public schools. School Business Administrator Chad Hunt stated we should have final numbers for foundation aid by the next week.

Administrative Update - Director of Pupil Personnel Katherine Piedici presented Special Programs Department Report (Attached), noting she had divided her presentation by the District Priority Areas. For District Priority Area #1: Foundational Academic Skills Mrs. Piedici stated in the High School they had developed a new Family Consumer Science/Success Strategies course for SPED students and evaluated long-term programming to support our changing enrollment and in the Elementary School they continued with LETRS work and reading instruction; worked toward developing a MTSS plan and supports; and Created a PLC model for our PPS meetings. For District Priority Area #2: Foundational Social Emotional Skills and Supports in the High School they Implemented strategies and training on strength-based approaches using Charlie Applestein's work and in both the High School and Elementary Schools they worked to create consistency in the FBA and BIP process and discipline process as well as review monthly discipline data. For District Priority Area #3: Opportunities for all Naples Central School Students in the High School they worked to develop a draft plan for CTE options within Naples Central School and to create a system to recognize students in the trades at our award ceremony. Board President Jacob Hall stated it's great to have that individualized level of support for all students, commending the staff stating they should be applauded for doing such a great job. Board discussion followed pertaining to information presented.

Secondary Principal Nicole J. Green stated testing would begin the following week, May will be AP Exams and then Regents Exams in June, but throughout that time a bunch of celebrations with Prom and the Senior Trip coming up. Mrs. Green stated she just wanted to share she had a parent of a Sophomore in college come up to her and say how grateful she was for all of the course offerings we have here in the High School as her child was able to graduate with a whole year of college credits and is saving a ton of money, being able to graduate college in three years, noting that is a point of pride for our District.

Elementary Principal Kristina A. Saucke stated there is a lot on the calendar for the remainder of the year, noting they had started testing that day, noting Carrie Grove had done the greatest amount of organization work before the break knowing they only had one day when they got back before testing, adding we had two additional students register the day before break so that created the need to prepare for two more students testing. Ms. Saucke stated it takes a huge amount of work to prep for these couple of days of testing, commending Technology Director Ben Pursell and IT Support Technician Lew White for their help troubleshoot any problems that cropped up; Ms. Saucke gave a huge shout out to Jessica Mothersell and Julie Debattista who head up our Elementary Student Council, noting today was another Spirit Day, Tie-Dye Day, adding they also hosted a movie night for families before break and they had about 89 people attend and it was a lot of fun for the families; Mrs. Debattista will be going on maternity leave in June, adding Jennifer Naramore will fill in for Julie while she is on maternity leave; Our Character Ed Team met today and they have their Earth Day activities coming up this month, May they have Career week and in June they have the Flag Day and Field Days; The construction work is going great, the demolition is already done in the five rooms, adding they are making great progress and the moves happened the week before break and they have been delivering furniture and things are looking fantastic; Ms. Saucke extended her thanks to School Business Administrator Chad Hunt and Accounts Payable Clerk Chris Brautigam for their help with the budget on Ed Data; Ms. Saucke gave kudos to Katie Piedici for all of the work she has done in the Elementary with the interventionists, stating she feels her work has made such a huge difference especially around some of the data work they have done; Ms. Saucke noted one of our new students who has come from a suburb of San Diego, stating as they were waiting with the student for her parent to pick her up the student commented that Naples felt like being with your family at home, you feel so safe here, noting that says a lot for our school.

Board Report:

<u>Facilities Committee Report</u> – Board Member Robert Brautigam updated the board on the current Capital Project, stating all the classroom furniture for the Elementary school came all at once, noting because our staff put all the furniture together, it saved the District over \$50,000, adding due to those types of decisions it has helped us to save enough money to be able to get the other hallways done. In the HS Auditorium the Radius block wall is completed for support, and backfill operations continue.; Steel on back of wall has been added.; The slab pour in the storage area is now complete as is brick and block fill near courtyard; the next steps will be anchor bolts, continue on backfill, and shoring the main structure to prep for pulling off the roof in order for more steel to be installed; The Capital Outlay Project Door work at the Elementary School will continue.; Ceiling tile in gym hallway may also be replaced. Some trim pieces need to ordered and installed for current outlay work with the gym entrance doors.; The committee also discussed purchasing a zero-turn mower noting there is a good price through the state bid, they are evaluating the current equipment.
