## Naples Elementary School Board of Education Updates ~ June 2018

Last month I share with you that I was able to attend a Tier III Response to Intervention training with Mrs. Piedici and Mrs. Grove. The workshop was presented by Ali Hearn from the Midwest PBIS Network. This educational organization supports the implementation of Positive Behavioral Interventions and Supports in state, local, and community agencies throughout the Midwest. A partner with the [National PBIS Technical Assistance Center](#), the Network develops the capacity of schools to prevent problem behaviors, promote positive school culture, and to evaluate the impact on both social and academic success of all youth, including those with the highest level of need. Following the workshop, Joe Fantigrossi came to Naples to work with an Elementary Team (Aaron O'Rourke, Chris Arsenault, Liz Dormer, Kyle Inda, Julie Austin Robert Birdsall, Brian Meteyer, Tammy Matthews, Katie Piedici, Christine Green and I). Joe comes from Lyons CSD and works with multiple districts in our region to provide support and training in this RTI model, as well as trauma informed instruction. It was a great opportunity to begin a discussion around our goals of auditing our current practices within a Three-Tiered Model of Support and aligning our teaming structures. I am happy to report that with every department represented, we had a productive morning determining an action plan moving forward. While we have a lot of work to do, we feel we have a better focus on what our true needs are. Mrs. Piedici, Julie Austin, Carrie Grove and I attended a follow-up conference on June 4<sup>th</sup> ("Check In /Check Out") which is an intervention we plan to turn key train our staff on in the fall. This summer we have been invited by Joe to join colleagues from other districts in a two day Tier 1 training in July, followed up by another intervention training offered by our WFL Teacher Center ("Zones of Regulation: Helping Students Regulate Emotions in Their World"). I am very excited about the work ahead that will support our students! We are incredibly blessed to have a team of staff who values our students' emotional health as much as their academic growth.

Our students in Grade 4 have completed the annual Science State Assessment. The performance exam was administered on May 23<sup>rd</sup> and the written exam was on June 4<sup>th</sup>. I would like to say a huge thank you to Mr. Liebentritt for assisting with the administration of the performance exam, and to Mrs. Green, Mrs. Crawford and Mrs. Becker for scoring. Grade 6 completed ELA computer based field testing on June 6<sup>th</sup>. We are glad to have our state assessments completed for the year! We will use part of our summer curriculum time to review our students' data and instructional implications.

***"Increasing STEAM Opportunities and Student Engagement"***: As we reflect on the 2017-2018 school year, I am so proud of the work Mrs. Castle, Mrs. Wordingham and Mrs. Radin-Snaith have done to increase STEAM activities for our students. This picture is one of my all time favorites...I think it truly captures the engagement and pure joy our students experience when they are able to have the freedom to problem solve, collaborate and create. The possibilities are endless for our young learners and we are so fortunate to have a staff that embraces STEAM!

As we plan for the year ahead, here are goals that we have for the coming school year:

- Increase STEAM opportunities for primary students. Currently our 1<sup>st</sup> graders go to the STEAM lab in groups of 6-8 students during our RTI block and participate in literature based projects and challenges. This has been an engaging educational opportunity for our students and we hope to increase the amount of times students are able to participate.
- Increase STEAM opportunities for our 2<sup>nd</sup> graders. Currently a group of 6 students rotate through the lab for a half hour session one time per week and participate in activities such as STEAM challenges and Dash and Dot. The teachers hope to carry over more of the activities in the classroom while still collaborating with Mrs. Wordingham with their weekly session to increase the number of students participating each week.
- Mrs. Wordingham will continue to work with the Grade 3 Team to offer a weekly after school STEAM session. It was such a popular choice that we had to do a lottery for sign-ups, showing us once again how engaging these opportunities are for our students.
- Ms. Brennan is planning to investigate an electronic journal that will support enrichment potentially across the grade level.
- Continue and expand upon the use of Spheros and EV3s Grades 4-6, as well as coding opportunities for students K-6.

- We currently have 4 Breakout EDU boxes at the Elementary School and 2 at the Jr./Sr. High School. Mrs. Wordingham was able to facilitate classroom use of these during computer lab times as well as in classrooms. We would love to add to our current inventory!!
- Continue our development of "STEAM Carts" that teachers can sign-out.
- Continue to work with teachers in grades 4-6 to offer additional STEAM activities for students not enrolled in chorus (which currently has 82 students signed up!). This is a once a week opportunity for 45 minutes. Our staff has truly embraced "the Arts" in STEAM, and this is another example of making sure all students have enrichment opportunities. Students are allowed to sign up on a Google doc for what activity interests them. The teachers plan and run the group activities.
- Development of program goals and training around our new virtual reality equipment and possible HyperDocs (student centered lessons that inspire curiosity and creativity).
- Continue to foster understanding (in students and staff) of the Engineering Design Process.
- Increase after school Makerspace activities for all grade levels.
- Continue to support our amazing Elementary Robotics Program (Session 1 flyer is attached!)
- Review of our keyboarding instruction after analyzing year end data.

It will be a full house again this summer at Naples Elementary School! We will run 2 programs - Summer Academy and the Summer Special Education Extended School Year Program. The Summer Academy is 5 weeks, Monday-Thursday, and the Summer Special Education Program is 6 weeks, Monday-Friday. Both programs are half day (8:00-11:00am). We are now fully staffed and look forward to welcoming close to 100 students this summer!

**We would like to give a special thank you Mrs. Green and Deputy Jaus for hosting Summer Safety Talks to our K-6 students. The following is from a featured story on our website:**

*On Wednesday, June 13<sup>th</sup>, Officer Jaus spent some time with our elementary students to talk about summer safety! He reviewed important information about riding bikes and water safety. He also talked about making good choices with electronics and using the internet. All of the students greatly enjoyed talking about how to be safe this summer! Here are some important*

*tips from Officer Jaus:*

**Bike Safety:**

- Have a properly fitted helmet.
- Make sure your bike is in good working order.
- Follow traffic signs and rules for biking on the road.
- Always walk your bike when you cross the road.

**Water Safety:**

- Wear a properly fitted lifejacket when on the water.
- Always have an adult present when you swim.
- Keep your hands and feet inside the boat when boating.

**Internet Safety:**

- Never give out personal information.
- Tell an adult if anyone asks you for personal information.
- Things that you put on the internet do not go away when you delete them.

**Other Tips:**

- Keep your distance from lawnmowers.
- Wear sunscreen to protect your skin.
- Always follow the directions of your parent or a trusted adult.

**Thank you for the endless support you provide to our students, staff and community. We feel blessed to have a Board of Education that cares so deeply about our district. Enjoy your summer! 😊**

## Bite Marks in Forensics?

Students had to leave their bite mark impression on a plate, and use an overhead to trace the impression. After, they took depth and length measurements of their maxilla and mandible and wrote the measurements on the overhead. Students used these to compare the anonymous bite marks left on Circus Peanuts in order to match the impression to the person. Fun!

**Kudos:** Congratulations! to all of our graduates. We have three students graduating from our out of district placements and several students graduating from our building. I am very proud of the hard work and dedication each of these students have given to their education. For all of these students school did not come easily. Many of them have had to overcome many obstacles to get to this point. I look forward to hearing where they go next! Thank you to our staff, teachers, administration, board of education and their families for your support of them on this journey.

**Summer ESY Program:**

We currently have 30 students in grades K-6 attending our extended school year program. We will be supporting student in four classrooms. Two 6:1:1 classrooms and two 12:1:1 classrooms. We are excited to be able to support these students in working toward meeting their individual goals.

**Summer Training:**

We have dedicated two summer days to special education professional development. On August 2nd I will be working with the special education department on developing a special education handbook. This handbook will include processes for referring students to special education and referring students to related services. It will be a resource for our current staff and a guidance document to assist with new incoming staff. On August 3rd I will be working with co-teaching teams from the high school and elementary school. We will be working on reviewing effective co-teaching models. Teams will have an opportunity to work together and review effective strategies for implementation in September.

**Department Update:**

We have had a great year as a department. It is hard to believe that the year is coming to an end. I have valued my time with the special education staff and have worked hard to listen to them about areas of success as well as areas of improvement. As I enter the summer I will be working on developing an action plan for next school year. I plan to use the input from the department as well as the input from Futures education to create this action plan.

**Thank you all for your support this year! It was a great year!**

The District will make a contribution of \$700/year for the Superintendent if participating in a

District offered health insurance plan, with the exception of enrollment in the high deductible plan, each school year to a Medical Reimbursement Plan (Section 105).

If the Superintendent does not receive health insurance from the District, he will lose the \$700 Medical Reimbursement Plan, but will have the health insurance buyout increased by \$700.

This provision is subject to all State and Federal Income Tax Laws and Regulations.

**E. 403(b) Plan:**

The Board shall contribute, as an employer's non-elective contribution, Two Thousand Five Hundred Dollars (\$2,500.00) per year, for each year of this contract and any year that this contract is extended, into the tax-sheltered annuity consisting of a 403(b) I.R.C. plan and/or 457 I.R.C. plan, of the Superintendent's choice. Five (5) of these sick leave days may be used for: personal illness, physical or mental disability of the Superintendent, or illness or death in the family, or emergencies. "Family" is defined for this purpose as the Superintendent's spouse, child, stepchild if the Superintendent has been or is the responsible caregiver, mother, father,

sister, brother, grandparents, or mother-, father-, sister-, or brother-in-law; grandchildren, stepparents, aunt or uncle shall be included in this definition in the case of death in the family. All leaves under this contract run concurrently with leave provided by the Family and Medical Leave Act which is hereby adopted, and no reinstatement rights of that Act are waived or modified by this contract except as provided expressly by this contract.

At the end of each school year, unused sick leave days will be carried over to the following school year to a maximum of 220 days, and any accumulated sick time beyond the 220 days will be reimbursed at \$40 per day. The additional fifteen (15) days shall be credited at the start of each school year even if the accumulated sick leave days have reached the maximum to permit up to 235 days to be available during that year.

#### **H. Personal Leave:**

Personal leave is for the transaction of personal business which cannot be conducted outside of the normal work day. Such leave is not available for recreational purposes. If a request is made for the use of a personal day either immediately prior to or after a vacation period, a reason must be stated on the request for personal day use. Acceptable reasons for the use of such leave are funerals, college activities, and weddings in the immediate family, and retirement conferences/meetings. The request shall be made to the President of the Board (or in his/her absence to one of the other Board officers) who may approve the request and will inform the Board. Approval of leave at these times will be limited to no more than two (2) members of the administrative staff at one time.

The Superintendent will be allowed up to five (5) days personal leave per year. If not used by June 30, the remaining accrued days convert to and accumulate as sick leave.

#### **I. Bereavement:**

Up to 3 days are available per year for bereavement. This leave may be used for deaths of those people as listed under Section G of Sick Leave, above. This leave is non-accumulative and non-reimbursable. If additional days are needed they will be deducted from sick leave described in section 7 (G) above.

**J. Jury Duty and Legal Leave:**

If subpoenaed as a witness or juror, the Superintendent will be paid the difference between the fee received as such witness or juror and the per diem rate of salary. Such absences are not deductible from sick or personal leave.

**K. Extensions:**

Any extension of leave concerning personal illness or illness or death in the family will be determined by the Board of Education, in its discretion.

If the Superintendent accompanies Naples Central School students on a non-school sponsored but curricular or enrichment related trip, he shall not be subject to loss of paid personal time if unavoidably detained or circumstance requires an earlier than anticipated departure time. Under normal circumstances, trips of this sort are to be scheduled during vacation periods.

**L. Conferences and Visitations:**

The Superintendent is encouraged to attend conferences and visit other schools.

**M. Unpaid Leave:**

A one-year leave of absence without pay may be granted by the Board of Education in its discretion. Under some circumstances fringe benefits may be allowed during such leave.

**N. Emergency Leave:**

In the event of absence due to emergencies, the Superintendent may consider such absence as part of the sick leave program.

**O. Childrearing Leave:**

1. Childrearing leave shall be available upon the following terms:

- (a) Written notice of request for childrearing leave is to be delivered to the Board of Education as soon as practicable.

- (c) Childrearing leaves must be approved by action of the Board of Education.
- (d) While on childrearing leave, the Superintendent shall be entitled to such benefits, if any, as District policy and/or law, requires.

- (b) At such time, the Superintendent shall notify the Board of Education of the date she wishes to commence and terminate such adoptive leave. Generally, such return date is to be at the beginning of the semester.

**P. Vacations:**

The Board agrees to provide the Superintendent with twenty-five (25) days of vacation in each year of employment. Up to five (5) vacation days can be carried over to the following year without the Board's approval. Up to five (5) of the vacation days (or up to ten (10) if five days have been carried over from the previous year) may be taken during the academic year (except

that this limit does not apply to school breaks such as the Christmas, Winter, or Spring recesses). Any unused vacation days can be turned in for sick days at the end of each year for use as per Section 7 (G) of this contract. Accumulation of vacation cannot exceed 30 total vacation days. The scheduling of vacations shall be made by the Superintendent so as not to interfere with the operation of the Naples Central School.

- before June 30, 2019, 100% of tuition reimbursement will be due back to the district;
- if before June 30, 2020, 75% of tuition reimbursement will be due back to the district;
- if before June 30, 2021, 50% of tuition reimbursement will be due back to the district;
- if before June 30, 2022, 25% of tuition reimbursement will be due back to the district.

Any tuition payments owed back to the district must be reimbursed within three months of departure.

## **8. Professional Dues:**

The District shall pay professional dues for the Superintendent for membership in the NYS Council of School Superintendents and one other professional organization as designated by the Superintendent.

## **9. Professional Development:**

The Superintendent is authorized, at his option, to attend professional meetings on all levels (National, State and Local) for the purpose of keeping apprised of developments in the educational field and school administration, at the expense of the District and at the reimbursement rate allowed by the Board and as set forth under General Municipal Law, section 77-b.

**10. Physical:**

Each year during the term of this contract the Board shall pay all of the uninsured expenses of a complete annual physical examination for the Superintendent. Such complete annual physical examination shall be conducted by a physician of the Superintendent's choice.

**11. Evaluation:**

The parties agree that the Board shall devote one meeting during the month of June in each year of the Superintendent's employment by the District (or such other time as the parties may mutually agree) to an evaluation in executive session of his performance and working relationship with the Board. The evaluation shall conform to Commissioner's Regulation 110.2 and shall be based upon performance criteria and an evaluation process mutually agreed upon by the parties. The performance evaluation shall be kept confidential by the Board members. The Superintendent will have the opportunity to confer with the Board and receive the written evaluation, which shall become part of his personnel record.

**12. Board and Superintendent Relations:**

The Board shall promptly and discretely refer to the Superintendent in writing for his study and evaluation, any and all criticisms, complaints, suggestions, communications or comments of which the Board is aware and which the Board deems to be significant regarding the administration of the District or the Superintendent's performance of duties. The Superintendent will keep the Board apprised of any major concerns which have direct bearing on the Board and its responsibilities to develop policy.

**13. Disability:**

If the Board reasonably determines in its judgment that the Superintendent has been unable to render fully and adequately the services required of the Superintendent by this contract

for a period of six (6) months in any period of twelve (12) calendar months, whether such inability is due to illness, accident, physical or mental disability, the Board may, at its option and upon written notice to the Superintendent, terminate this contract with the termination to be effective three (3) months following notification to the Superintendent of the intention to terminate. Such termination of contract shall be effective notwithstanding any other provisions of this contract, including, but not limited to, provisions providing for sick leave absences.

**14. Early Termination:**

The Superintendent's employment during the term of this contract may only be terminated for just cause, in accordance with the procedures set forth below:

- (a) Charges against the Superintendent may only be brought by the Board and all such charges shall be in writing. The Superintendent shall be entitled to a fair hearing on said charges, upon at least thirty (30) days notice, before an independent hearing officer who shall be an attorney at law or an American Arbitration Association arbitrator. The hearing shall be in executive or public session, at the option of the Superintendent. The hearing officer may be selected by mutual agreement between the Superintendent and the Board or, in the event no such agreement is reached within fifteen (15) days after the Superintendent's receipt of the written charges, a request shall be made to the American Arbitration Association (AAA) by either party for a list of Arbitrators and the selection shall be made pursuant to the AAA Labor Arbitration Rules.
  
- (b) The Superintendent shall be entitled to due process protection at such hearing, including but not limited to the right to elect a public or private hearing; to be represented by counsel; to present, cross-examine and subpoena witnesses; to subpoena documents, papers, letters or other tangible evidence; to have all

testimony given under oath; to receive without cost an accurate written transcript of the proceedings; and to receive written findings of fact and conclusions of law. The District, at its expense, shall provide a certified shorthand or court reporter who will transcribe all proceedings.

- (c) Any criticisms or complaints which have not been previously forwarded to the Superintendent in accordance with the provisions of Section 12 of this contract or charges based on any allegation which was made known in writing to the Superintendent by the Board more than one (1) year before the charge is filed, shall not be admissible at such hearing against the Superintendent. The hearing officer shall strike from the written charge or charges any such charge made against the Superintendent.
- (d) The hearing officer shall, upon the conclusion of the hearing, prepare and submit a written decision, which decision shall include findings of fact, a disposition of each charge and a determination as to whether there is just cause to terminate. Both the Board and Superintendent shall be bound by the decision of the hearing officer. Both parties shall, however, retain their right to appeal the decision of the hearing officer to any forum with jurisdiction.

**15. Voluntary Resignation:**

In the event the Superintendent wishes to terminate his contract with the Naples Central School District, notification should be made to the Board of Education at least six (6) months if the resignation is for the purposes of retirement, and ninety (90) days if the purpose is for resignation, prior to the anticipated resignation date.

In the event the Superintendent resigns prior to the expiration of this contract, the

District's compensatory obligation to the Superintendent is terminated on the effective date of the resignation.

**16. Professional Liability:**

The Board of Education agrees that it shall defend, hold harmless and indemnify the Superintendent from any and all demands, claims, suits, actions and legal proceedings brought against the Superintendent in his individual capacity, or in his official capacity as agent and employee of the school district, provided the incident arose while the Superintendent was acting in good faith within the scope of his employment and provided further that such indemnification is within the authority of the Board to provide under state law, except that, in no case, will individual Board members be considered personally liable for indemnifying the Superintendent against such demands, claims, suits, actions and legal proceedings. Such defense and indemnification shall not apply to any action, proceeding or claim against the Superintendent by the Board relating to the terms of this contract or the Superintendent's performance of his duties.

As a condition of receiving such defense and indemnification, the Superintendent shall deliver a copy of any legal papers to the District Clerk within ten (10) days of receipt of the same.

**17. Ethics:**

Both the Board and the Superintendent agree to abide by the Code of Ethics of the New York State School Boards Association and the American Association of School Administrators.

**18. Complete Agreement:**

No other document shall be deemed to contain any binding commitment between the Board and the Superintendent unless it:

- (a) Contains an express statement or clear implication that it is intended to constitute a binding commitment,

- (b) Is dated on or subsequent to the date this contract is signed by the President of the Board and
- (c) Is signed by the Superintendent and by the President of the Board pursuant to a Board resolution authorizing the President to do so.

Revised Effective July 1, 2018

**WITNESSETH:**

WHEREAS, Article 5-G of the General Municipal Law authorized municipal corporations to enter into cooperative agreements for the performance of those functions or activities in which they could engage individually; and

WHEREAS, Section 92-a, 119-o of the General Municipal Law authorizes municipalities to purchase medical and dental insurance policies, enter into group health plans, and establish a joint body to administer a health plan; and

WHEREAS, Section 119-n of the General Municipal Law defines the term "municipal corporation" to include a county, city, town, village, fire district, school district and board of cooperative education services, and for purposes of this Municipal Cooperative Agreement, Finger Lakes Community College; and

WHEREAS, the parties to this agreement have determined to their individual satisfaction that they can furnish medical and/or dental benefits for their employees/retirees and COBRA participants at a significant cost savings by acting in concert with one another in the manner hereinafter expressed; and

WHEREAS, the parties to this agreement wish to designate themselves under this agreement as the Finger Lakes Area School Health Plan;

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties do covenant and agree as follows:

#### **I. INTENT**

The parties to this agreement (each a "Participant" and collectively the "Participants") collectively shall furnish medical, dental, and Medicare Advantage benefits (each benefit type a separate "Plan" and collectively "the Plans") for those employees, retirees, COBRA participants and dependents ("Plan Enrollees") which each Participant individually deems eligible for coverage in the Finger Lakes Area School Health Plan (hereinafter referred to as the "FLASHP"), subject, however, to FLASHP's eligibility criteria as determined by the Board of Directors from time to time. If a Participant applies and is approved to become a participating employer in a FLASHP Plan, it shall be known as a "Member" of that Plan.

#### **II. PARTICIPATION AND MEMBERSHIP**

The Board of Directors reserves the right to accept/deny entrance into FLASHP (as a Participant in this Municipal Cooperative Agreement), or entrance as a participating employer in any of the Plans (medical, dental or Medicare Advantage Plans), for any reason(s) which in its sole discretion determines is appropriate. Membership as a participating employer in a

FLASHP Plan (“Membership”) may be offered to a municipal corporation if said municipal corporation is approved to become a Participant and can provide satisfactory proof of its financial responsibility. Those current and future Participants who apply and are approved for entrance as a participating employer into a FLASHP Plan (each a “Member” and collectively the “Members”) may be required to sign a Membership agreement approved by the Board and shall be subject to terms and conditions of Plan Membership established by the Board of Directors. A Participant that is approved to be a Member may participate in the medical, dental, or Medicare Advantage Plan(s), or any combination thereof, through FLASHP, as determined in the discretion of the Board of Directors.

#### A. New Membership

- New FLASHP Participants and Membership will be limited to only municipal corporations that are educational institutions (public school districts, BOCES, and public colleges) and who qualify as large group for health insurance rating purposes under the New York Insurance Law Sections 3231 and 4317 (or who otherwise would not affect the Plan’s status as a large group for health insurance rating purposes if they joined a FLASHP Plan).
- Applicants for Membership must provide the following information:
  - Three (3) years of claim history for the benefit(s) of the same type as those provided by the Plan(s) in which participation is sought.
  - Three (3) years of premium history for the benefit(s) of the same type as those provided by the Plan(s) in which participation is sought.
  - A census of Members participating in the benefit(s) of the same type as those provided by the Plan(s) in which participation is sought, showing age, family status, etc.
  - The Board will request that Excellus BlueCross BlueShield, Rochester Region (EBCBSRR) or another entity selected by the Board complete a review of the data within ten (10) business days of an application for Membership and provide an

actuarial analysis regarding the risk of the group. The Board of Directors may obtain an independent analysis at its discretion.

- The new Member must be located within Livingston, Monroe, Ontario, Seneca, Steuben, Wayne and/or Yates County area. Consideration will be given to out of area groups. Applications for Membership may be approved by the Board, in the Board's discretion.
- FLASHP shall not be obligated to provide benefits to a Member that exceeds Finger Lakes Area School Health Plan's benefits at the time of entry.
- If required by the By Laws and to the extent applicable to a particular Plan, the new Member will be required pay a surcharge to cover its share of any reserves and any rate credits that exist at the time of entry into FLASHP for the Plan(s) in which the new Member participates. If the new Member participates in more than one Plan requiring a surcharge, then the surcharge shall be separately calculated for each Plan. The surcharge will be a percentage equal to the cumulative gain for the FLASHP divided by the FLASHP premium for the applicable Plan for the immediately preceding twelve (12) month period. EBCBSRR or another entity selected by the Board will calculate the surcharge amount at the time the new Member joins the Plan. The surcharge amount may be paid by the new Member in a lump sum, or in equal installments for the first twelve (12) months in FLASHP, for the first twenty-four (24) months in FLASHP or for the first thirty-six (36) months in FLASHP through premium add-ons, as selected by the new Member at the time of its entry into FLASHP for the Plan(s) in which the new Member participates. No interest will be charged if a multi-year add-on option is selected. Full payment of the surcharge is required if the new Member terminates participation in the Plan(s) for which the surcharge is assessed, and if the new Member terminates prior to the end of the payment period the remaining amount shall be paid in a lump sum within thirty (30) days of termination.
- New Members participating in the medical Plan on or after July 1, 2005, are not eligible to elect the \$2 or \$5 drug co-pay option as part of their Membership.
- Membership of new Participants shall become effective no earlier than the 1st day of

the calendar month following adoption by the Board of Directors of the resolution to accept the entity as a Member.

- Newly approved Members must become a party to this Agreement (a "Participant,") by approval of such Member's governing body, prior to becoming a Plan Member.

#### B. Withdrawal of Membership

The Plan year runs from July 1 each year to June 30 ("Plan Year"). A Participant may withdraw from FLASHP or from Membership in a Plan effective only on the last day of the Plan Year, June 30. Notice of Intention to Withdraw must be given in writing to the President of the Board of Directors by April 30th of the prior Plan Year. Failure to give such notice shall automatically extend a Member's Membership and obligations for another Plan Year, unless all other Members shall consent to such withdrawal. In the event of an early withdrawal not permitted by this paragraph, the Member shall pay to FLASHP an amount equal to the amount of any premium increase imposed on the other Members as a direct result of the early withdrawal of that Member for the remainder of the Plan Year in which the early withdrawal took place.

Notwithstanding the foregoing, a Member who has no subscribers under a Plan shall be deemed to have withdrawn from Membership in the applicable Plan on the date the Member ceases to have any subscribers under that Plan.

If required by the By Laws and to the extent applicable to a particular Plan, a Member's withdrawal from a Plan, whether a voluntary withdrawal under this Section or an involuntary withdrawal due to failure to pay premiums or other reason the Member is forced to leave the Plan, will be subject to the following conditions:

- the withdrawing Member must pay any unpaid portion of the surcharge imposed on it as a new Member; and
- the withdrawing Member must pay a surcharge equal to its share of any deficit

(including anticipated run-offs) of the applicable Plan(s) in the Plan Year in which the Member withdrew from such Plan(s), based on the deficit for the applicable Plan(s) set forth in the completed financial statement for the Plan Year in which the Member withdrew. The Member's share of any such deficit shall be determined by dividing the total premiums (both employer and employee contributions) paid by the Member to the applicable Plan from July 1, 2004 (or such later date the Member joined the Plan) to the date the Member withdrew from the Plan, by the total premiums (both employer and employee contributions) paid by all Members to the applicable Plan from July 1, 2004 (or such later date the Member joined the Plan) to the date of the Member's withdrawal from the Plan; and

- the withdrawing Member will not be eligible for any profit or fund balance that the applicable Plan may have accumulated at the time of the Member's withdrawal.

Any surcharge paid in accordance with this provision shall be used to reduce the deficit of the applicable Plan, pay for Plan expenses of the applicable Plan, or for other purposes of the applicable Plan, as determined by the Board of Directors.

### III. BOARD OF DIRECTORS

#### A. Number of Directors and Voting Power

The governing body of FLASHP, responsible for management, control and administration of FLASHP, shall be a Board of Directors ("Board") which shall consist of not less than three Directors, with an odd number of Directors regardless of the size of the Board. Each Director position may either represent at least two (2) Members, referred to a "Region," or may be designated as an "At-Large" position, as provided in the By Laws. The Board, by resolution adopted by a majority of the entire Board, shall determine the number of Director positions, how many positions (if any) will represent a specific Region, and how many positions (if any)

will be At-Large elected by all Members.

Each Director shall have one vote on all matters properly brought before the Board. A Director may vote on matters involving the medical, dental, and Medicare Advantage Plans, even if the Director's employer does not participate in that Plan. To the extent the By Laws provide that Directors represent a specific Region, then the Board shall determine the number of Regions and the Members which will be in each Region, with a goal of each Region having a relatively comparable number of insurance contracts.

The By Laws may also provide for Superintendent-Advisors, who shall be elected to serve as non-voting advisors to the Board of Directors, and shall have the right and obligation to attend all meetings of the Board of Directors. FLASHP's By Laws shall further describe the role and selection of the Superintendent-Advisors, if applicable.

## B. Qualifications, Election and Term of Directors

Each Directorship shall be filled by a Member vote or a Board vote, as described in the By Laws. The Board of Directors shall establish Directorship terms and election procedures, either in the By Laws or by separate resolution. The Board of Directors in its discretion may also establish qualifications for Directorship positions and/or term limits, either in the By Laws or by separate resolution.

## C. Increase or Decrease in Number of Directors

The number of Directors may be increased or decreased by vote of the Directors. No decrease in number of Directors shall shorten the term of any incumbent Director. The number of Directors resulting from any increase or decrease must remain odd.

## D. Newly Created Directorships and Vacancies

Newly created Directorships resulting in an increase in the number of Directors, and vacancies occurring in the Board for any reason except the removal of Directors, may be filled by a vote of the majority of the Directors in office, as described in the By Laws.

Vacancies occurring by reason of removal of Directors with or without cause shall be filled by vote of the Members (in the applicable Region, if the Director represents a specific Region).

A Director elected to fill a vacancy caused by resignation, death or removal shall be elected to hold office for the unexpired term of his/her predecessor. An odd number of Directors will always be maintained. If necessary or determined by the Board to be prudent, an At-Large member will be elected by all Members (one vote per Member).

## E. Removal of Directors

Any or all of the Directors may be removed for cause by vote of the Members (in the applicable Region, if the Director represents a specific Region) or by action of a majority of the Board.

Such causes may include, but are not limited to:

- Failure to attend meetings
- Malfeasance
- Conflict of interest
- No longer satisfies the qualifications to be a Director

#### F. Resignation

A Director may resign at any time by giving written notice to the Board or the President of FLASHP. Unless otherwise specified in the notice, the resignation shall take effect upon receipt thereof by the Board or the President, and the acceptance of the resignation shall not be necessary to make it effective.

#### **IV. QUORUM**

A majority of the entire Board shall constitute a quorum for the transaction of business or of any specified item of business.

#### **V. ACTION OF THE BOARD**

To change this Municipal Cooperative Agreement or any By Law, there must be an affirmative vote of 2/3 of all Directors then appointed and serving. Unless otherwise required by law, or the prior sentence, the vote of a majority of the Directors shall be the act of the Board. Each Director shall have one (1) vote. All actions by the Board must have a motion/second and be adopted by a vote as determined above.

All changes to any By Law shall be effective and binding on all Participants/Members, without the need for the Participant/Member to sign a new Membership agreement or other written instrument, and without approval of the Participant's/Member's governing body. Changes to this Municipal Cooperative Agreement, however, also require adoption by each Participant's/Member's governing body. Following a change to this Municipal Cooperative Agreement, each Participant/Member must have such changes approved by a majority vote of each such Member's governing body within a timeframe set by the Board of Directors in order to remain a Participant and Member.

## VI. DUTIES OF THE BOARD

The duties of the Board include:

- Adopting and maintaining By Laws to govern FLASHP.
- Monitoring financial performance of FLASHP.
- Communicating with Members and eligible or enrolled Plan Enrollees.
- Determining what benefit Plans will be offered under FLASHP, including whether to add or terminate a Plan or Plan option or to offer supplemental programs, such as wellness programs, within a Plan.

- Determining insurance carrier(s) and/or third party administrators for medical, dental, and Medicare Advantage Plan benefits provided by FLASHP.

- Filling vacancies in any of the Board offices.
- Fixing the frequency of regular Board meetings, including the time and place thereof, and the method for calling special meetings. There shall be at least one annual scheduled Board of Directors meeting at a time and place in New York State designated in accordance with this agreement.
- Hiring a FLASHP Consultant(s) or Plan Administrator(s) and annually reviewing the performance of the FLASHP Consultant(s) and/or Plan Administrator(s).
- Reviewing all recommendations made by the FLASHP Consultant or Plan

Administrator(s) and approving and implementing all such recommendations approved by the Board.

- Establishing administrative guidelines and requirements for Members, Directors, Superintendent-Advisors, and/or Plan Enrollees. Examples of the type of administrative guidelines and requirements the Board may choose to adopt include a requirement that:
  - Members sign a Membership agreement developed by the Board;
  - Members satisfy certain criteria to participate in a Plan;
  - Members conduct dependent eligibility audits, distribute Plan notices or materials, or perform other administrative duties with respect to the Plans;
  - Members, Directors, Superintendent-Advisors, and/or Plan Enrollees make certain disclosures or sign certain certifications developed or approved by the Board.

- In carrying out these duties, ensuring that purchasing and making of contracts complies with the general laws applicable to municipal corporations and school districts, including but not limited to the requirements of Section 92-a of the General Municipal Law with respect to contracts for self-funded health benefits, if applicable.

## VII. STATUS OF OFFICERS AND EMPLOYEES

Officers and employees of any other third party vendor, including without limitation the officers and employees of any Participant or Member who assists or participates in the operation of FLASHP, shall not be deemed employees of FLASHP. The Directors shall not have any

authority to engage the services of any person as an employee of FLASHP. Each third party vendor shall provide for all necessary services and materials pursuant to contracts with FLASHP. The officers of FLASHP shall serve without compensation from FLASHP.

#### **VIII. SERVICE OF PROCESS**

The President of FLASHP shall receive service of summons or other legal process in any action, suit or proceeding arising out of any contract, agreement or transaction involving FLASHP.

#### **IX. PREMIUM PAYMENTS**

Unless otherwise required by the carrier, each Member is responsible to pay premiums directly to the selected insurance carrier. Failure to pay premiums shall be the basis for exclusion of the Member from the applicable Plan. Any action to exclude a Member from a Plan for non-payment of premiums shall not relieve that Member from its premium obligations to the selected insurance carrier.

#### **X. INDEMINIFICATION**

Each Participant/Member will defend with competent counsel, indemnify and hold harmless FLASHP, every other Participant/Member, as well as their directors, officers, employees, agents, successors, and assigns, from and against any and all claims, demands, actions, suits and proceedings (whether civil, criminal or administrative), and all liability, loss, expense (including reasonable attorneys' fees), costs or damages, that result, directly or indirectly, from the acts and/or omissions of the Participant/Member, including, but not limited to any expense or loss resulting from inaccurate eligibility information that is provided by the Member, failure to distribute required notices or other FLASHP materials, or premium expenses whether

due to failure or refusal to pay, expulsion from Membership, or inappropriate withdrawal from FLASHP.

#### **XI. TERMINATION OF PLAN**

This Agreement, and FLASHP, may be terminated upon official action of the Board in accordance with Section V of this Agreement. Upon termination of this Agreement, or FLASHP, to the extent any Plan or portion of a Plan is fully-insured, the selected insurance carrier(s) shall hold terminal liability and any experience credits; to the extent any Plan or Portion of a Plan is self-funded, the Plan and FLASHP may not be terminated until all terminal liability has been satisfied and all profit or fund balances have been distributed to Members or Plan Enrollees, as permitted by law and determined by the Board of Directions.

#### **XII. CONFIDENTIALITY**

Nothing contained in this Agreement shall be construed to waive any right a covered person possesses with respect to the confidentiality of medical records and that such rights may only be waived upon the written consent of such a covered person.

#### **XIII. TERM AND RENEWAL OF AGREEMENT**

The term of the Agreement shall be five (5) years from its last adoption date, at which time the Board shall review its terms and conditions. Regardless of whether there are changes, each Participant's/Member's governing body shall be required to re-adopt the Agreement at least once every five (5) years.

In the event the terms and conditions of the Agreement are revised at a time that is less than five (5) years from its last adoption date, the term of the revised Agreement shall be five (5)

years, measured from the date of the adoption of the changes to the Agreement.

#### XIV. COMPLIANCE WITH LAWS

This Agreement shall be interpreted and implemented in a manner compliant with all applicable laws, which are hereby incorporated by reference. In the event any term of this Agreement is found to be noncompliant with applicable law (e.g., if it conflicts with, or fails to incorporate a required term of such laws), that term shall be reformed to comply with the applicable law and the remainder of the Agreement shall remain in effect and carried out in the manner the Board determines is most consistent with the Participants' original intent.

**SUBJECT: SCHOOL FOOD SERVICE PROGRAM (LUNCH AND BREAKFAST)****School Food Service Program (Lunch and Breakfast)**

The Board has entered into an agreement with the New York State Education Department to participate in the National School Lunch Program, School Breakfast Program and/or Special Milk Program to receive commodities donated by the Department of Agriculture and to accept responsibility for providing free and reduced price meals to elementary and secondary students in the schools of the District.

The Superintendent or his/her designee shall have the responsibility to carry out the rules of the School Lunch and Breakfast Programs. The determination of which students are eligible is the responsibility of the Reviewing Official and Verification Official or the Office of Temporary and Disability Assistance of the Department of Social Services. Appeals regarding eligibility should be submitted to the Hearing Official of the District.

Free or reduced price meals may be allowed for qualifying students attending District schools upon receipt of a written application from the student's parent or guardian or a "Direct Certification" letter from the New York State Office of Temporary and Disability Assistance (OTDA). Applications will be provided by the School District to all families.

School officials must also determine eligibility for free/reduced meals and milk by using the Direct Certification Matching Process, a dataset supplied by the Office of Temporary and Disability Assistance, and made available by the State Education Department. Any student receiving federal assistance through Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance to Needy Families (TANF) is automatically eligible for free meals and milk. There is no need for families to complete further applications. School Districts shall notify parents or guardians of such eligibility, giving them the opportunity to decline free meals and milk if they so choose.

Procedures for the administration of the free and reduced price meal program of this School District will be the same as those prescribed in current state and federal laws and regulations.

**\*Meal Charge and Prohibition Against Meal Shaming****I. Purpose**

The goal of the **Naples Central School District** is to provide student access to nutritious no- or low-cost meals each school day and to ensure that a pupil whose parent/guardian has unpaid school meal fees is not shamed or treated differently than a pupil whose parent/guardian does not have unpaid meal fees.

Unpaid charges place a large financial burden on our school. The purpose of this policy is to insure compliance with federal requirements for the USDA Child Nutrition Program and, and to provide oversight and accountability for the collection of outstanding student meal balances to ensure that the student is not stigmatized, distressed or embarrassed.

(Continued)

**SUBJECT: SCHOOL FOOD SERVICE PROGRAM (LUNCH AND BREAKFAST) (Cont'd.)**

The intent of this policy is to establish procedures to address unpaid meal charges throughout the **Naples Central School District** in a way that does not stigmatize, distress or embarrass students. The provisions of this policy pertain to regular priced reimbursable school breakfast, lunch and snack meals only. The Naples Central School District provides this policy as a courtesy to those students in the event that they forget or lose their money. Charging of items outside of the reimbursable meals (a la carte items, adult meals, etc.) is expressly prohibited.

**I. Policy**

**Free Meal Benefit** - Free eligible students will be allowed to receive a free breakfast and lunch meal of their choice each day. A la carte items or other similar items must be paid/prepaid.

**Reduced Meal Benefit** - Reduced eligible students will be allowed to receive a breakfast of their choice for \$.25 cents and lunch of their choice for \$.25 cents each day. The charge meals offered to students will be reimbursable meals available to all students, unless the student's parent or guardian has specifically provided written permission to the school to withhold a meal. A la carte items or other similar items must be paid/prepaid.

**Full Pay Students** - Students will pay for meals at the school's published paid meal rate each day. The charge meals offered to students will be reimbursable meals available to all students, unless the student's parent or guardian has specifically provided written permission to the school to withhold a meal. A la carte items or other similar items must be paid/prepaid.

**ONGOING STAFF TRAINING:**

- Staff will be trained annually and throughout the year as needed on the procedures for managing meal charges using the NYSED Webinar or the school's training program.
- Staff training includes ongoing eligibility certification for free or reduced price meals.

**PARENT NOTIFICATION:**

- Parents/guardians will be notified that a student's meal card or account balance is exhausted and has accrued meal charges within 5 days of the charge and then every 5 days/weeks thereafter. Email notifications will go out weekly and a paper letter will be mailed out monthly.

**PARENT OUTREACH:**

- Staff will communicate with parents/guardians with five or more meal charges to determine eligibility for free or reduced price meals.

(Continued)

**SUBJECT: SCHOOL FOOD SERVICE PROGRAM (LUNCH AND BREAKFAST) (Cont'd.)**

- School staff will make two documented attempts to reach out to parents/guardians to complete a meal application in addition to the application and instructions provided in the school enrollment packet.
- School staff will contact the parent/guardian to offer assistance with completion of meal application to determine if there are other issues within the household causing the child to have insufficient funds, offering any other assistance that is appropriate.

**MINIMIZING STUDENT DISTRESS:**

- School will not publicly identify or stigmatize any student on the line or discuss any outstanding meal debt in the presence of any other students.
- Students who incur meal charges will not be required to wear a wristband or handstamp, or to do chores or work to pay for meals.
- Schools will not throw away a meal after it has been served because of the student's inability to pay for the meal or because of previous meal charges.
- Schools will not take any action directed at a pupil to collect unpaid school meal fees.
- Schools will deal directly with parents/guardians regarding unpaid school meal fees.

**ONGOING ELIGIBILITY CERTIFICATION:**

- School staff will conduct direct certification with NYSSIS or using NYSED Roster Upload at least monthly to maximize free eligibility.
- School staff will provide parents/guardians with free and reduced price application and instructions at the beginning of each school year in school enrollment packet.
- Schools using electronic meal application will provide an explanation of the process in the school enrollment packet and instructions on how to request a paper application at no cost.
- Schools will provide at least two additional free and reduced price applications throughout the school year to families identified as owing meal charges.
- Schools will use administrative prerogative judiciously, only after using exhaustive efforts to obtain a completed application from the parent/guardian only with available information on family size and income that falls within approvable guidelines.

(Continued)

**SUBJECT: SCHOOL FOOD SERVICE PROGRAM (LUNCH AND BREAKFAST) (Cont'd.)**

- Schools will coordinate with the foster, homeless, migrant, runaway coordinators at least monthly to certify eligible students.

Students/Parents/Guardians may pay for meals in advance via **www.myschoolbucks.com** or with a check payable to **NCS Cafeteria**. Further details are available on our webpage at **www.naplescsd.org**. Funds should be maintained in accounts to minimize the possibility that a child may be without meal money on any given day. Any remaining funds for a particular student may/will be carried over to the next school year.

Refunds for withdrawn, and graduating students; a written or e-mailed request for a refund of any money remaining in their account must be submitted. Students who are graduating at the end of the year will be given the option to transfer to a sibling's account with a written request.

Unclaimed Funds must be requested within one school year. Unclaimed funds will then become the property of the **Naples Central School District** Food Service Program.

**Restriction of Sweetened Foods in School**

The sale of sweetened foods will be prohibited from the beginning of the school day until the end of the last scheduled meal period.

Sweetened foods consist of sweetened soda water, chewing gum, candy, including hard candy, jellies, gum, marshmallow candies, fondant, licorice, spun candy, candy coated popcorn, and water ices except those which contain fruit or fruit juices.

**Restriction on Sale of Milk Prohibited**

Schools that participate in the National School Lunch Program may not directly or indirectly restrict the sale or marketing of fluid milk products at any time or in any place on school premises or at school-sponsored events.

**Food Substitutions for Children with Disabilities**

Federal regulations governing the operation of Child Nutrition Programs, Part B of the Individuals with Disabilities Education Act, and Section 504 of the Rehabilitation Act of 1973 require that children with disabilities be offered the opportunity to participate in all academic and nonacademic activities including the school nutrition programs. The District will make reasonable accommodations to those children with disabilities whose disabilities restrict their diets, such as providing substitutions and/or modifications in the regular meal patterns. Such meal substitutions for students with disabilities will be offered at no extra charge. A student with a disability must be provided substitutions in food when that need is supported by a statement signed by a physician attesting to the need for the substitutions and recommending alternate foods.

(Continued)

**SUBJECT: SCHOOL FOOD SERVICE PROGRAM (LUNCH AND BREAKFAST) (Cont'd.)**

However, the school food service is not required to provide meal services (for example, School Breakfast Program) to students with disabilities when the meal service is not normally available to the general student body, unless a meal service is required under the student's individualized education program (IEP) or Section 504 Accommodation Plan as mandated by a physician's written instructions.

**Food Substitutions for Nondisabled Children**

Though not required, the District will also allow substitutions for non-disabled children who are unable to consume the regular meal because of medical or other special dietary needs if the request is supported by a statement signed by a recognized medical authority.

The District may also allow substitutions for fluid milk with a non-dairy beverage that is nutritionally equivalent (as established by the Secretary of Agriculture) to fluid milk and meets nutritional standards for students who are unable to consume fluid milk because of medical or other special dietary needs if the request is supported by a statement signed by a recognized medical authority or by the student's parent/legal guardian.

**Prohibition Against Adults Charging Meals**

Adults should pay for their meals at the time of service or set up pre-paid accounts.

**HACCP-Based Food Safety Program**

Schools participating in the National School Lunch and/or School Breakfast programs are required to implement a food safety program based on Hazard Analysis and Critical Control Point (HACCP) principles. The District must develop a written food safety program for each of its food preparation and service facilities that is based on *either* traditional HACCP principles *or* the "Process Approach" to HACCP. (The "Process Approach" simplifies traditional HACCP by grouping foods according to preparation process and applying the same control measures to all menu items within the group, rather than developing an HACCP plan for each item). Regardless of the implementation option that is selected, the District's written food safety program must also include:

- a) Critical control points and critical limits;
- b) Monitoring procedures;
- c) Corrective actions;
- d) Verification procedures;
- e) Recordkeeping requirements; and
- f) Periodical review and food safety program revision.
