Superintendent Recognitions & Updates

The 7th Grade Project Based Learning (PBL) students and their advisors, Spanish teacher Michelle Walpole and Library Media Specialist Colleen Betrus, made a presentation on this year's PBL Project which was related to how we can use food to build bridges, noting that through the various activities the group held throughout the project, they had raised \$1,100 to donate to the Heifer Foundation, a non-profit organization that provides livestock to families in need to raise and use to support themselves.

Superintendent Frahm noted that the skills these students learned through this project are concepts they will be able to use moving forward, stating employers are looking for people who can work in teams and communicate well, adding this is an impressive group of students.

Superintendent Frahm announced that it was Student Representative Hayden Myers' last night at the board, noting he had done an incredible job throughout the year, weighing in on different issues as a part of the board, giving really thoughtful comprehensive reports, adding the board will miss him next year. Hayden stated his year on the board has helped him in learning to speak publicly; communicate ideas effectively; listen to others; and the mechanics of all of the background work that the board puts into making the school run well, noting he was grateful to gain that insight and appreciated the opportunity to be able to be there.

Superintendent Frahm stated the Student Representative for the coming year would be Owen Kennedy. Superintendent Frahm commended Student Representative Hayden Myers on the impressive work he had done throughout the year along with his rigorous course load, numerous other commitments such as athletics, robotics, marching band, etc. Superintendent Frahm presented a gift of a Boston University sweatshirt to Hayden from the Board of Education.

Superintendent Frahm discussed the proposed Meal Charging and Prohibition against Meal Shaming Policy newly required by New York State, reviewing the different requirements of the policy.

Mr. Frahm discussed the capital project, noting the Phase 2 plans have been submitted to the State Education Department for review; a lot of site work has been completed for Phase 1, explaining what is happening with that process. Board Member Carter Chapman presented information on the project, noting the potential for increase in project cost due to the increases in oil prices; the steel tariffs; and the present saturated market, adding the District does not know what the final increase in cost will be until bids are completed, possibly in mid-August. Mr. Chapman discussed the various factors controlling costs and the capital project scheduling.

Mr. Chapman also discussed the library space and changes being made the that area; the butterfly garden; and the school's new phone system installation will be done by June 30th, noting the old system is no longer supported.

Work Year and Responsibilities

Duties and Responsibilities

The administrator agrees to perform such duties at the Naples Central School District as are now or may hereafter during the course of this contract be prescribed by the Education Law of New York, the rules and regulations of the Commissioner of Education, Acts of the United States of America, Statutes of the State of New York and the district's job description for his/her position. In addition, the administrator shall exercise such other rights and powers and shall perform such other duties as are or hereafter shall be enjoined upon the administrator by the superintendent of schools or the board of education of the Naples Central School District, including, but not limited to those outlined in the administrative regulations and board of education policy.

Work Year

1. Unless special stipulations are made in writing at the time of initial employment or at some subsequent time, an administrator employed on an 11-month basis shall work from September 1 through June 30, exclusive of holidays designated in the calendar. In addition, each eleven-month administrator shall work the equivalent of one month during the summer. One month of summer is considered to be 20 FTE working days. It is generally expected that the eleven-month administrator will be on the job for the two calendar weeks preceding the opening of school, although the superintendent may modify this expectation when circumstances warrant. The two calendar weeks of work prior to the opening of school will not always be fully credited to the required four weeks of summer work. In some years a portion of those days may fall in the month of September, and are then part of the normal work year.

2. An administrator employed on an 11-month basis is entitled to any scheduled days of recess in the school calendar, provided the administrator is not required to perform specific duties at that time.
3. It is generally expected that an administrator employed on an 11-month basis will take unpaid vacation during the summer months when he/she is not working or during scheduled recess periods in the school calendar (subject to 2 above). However, when he/she determines that special circumstances warrant, the superintendent may give permission for an administrator to take unpaid vacation time on work days during the school year provided the administrator makes arrangements to make up the missed work time during the summer or during school vacation periods.
4. An administrator employed on a 12-month basis shall work from July 1 to June 30, exclusive of holidays in the school year.

Professional Development

With the superintendent's approval, the administrator may attend professional meetings on all levels (national, state, and local) for the purpose of keeping apprised of developments in the educational field and school administration, at the expense of the district and at the reimbursement rate allowed by the board for other personnel authorized to attend similar functions to the extent funds are available for such purposes in the district's budget and approved by the superintendent.

ARTICLE V

Vacation

Twelve-month administrators will receive twenty-five (25) days of vacation in each year of employment. Up to five (5) days unused at the end of the year may be carried over for one (1) year for a maximum of thirty (30) days in one year. Any unused vacation days may be converted to sick leave days at the end of each school year and/or any administrator may cash in a maximum of five (5) unused vacation days at his/her per diem rate. Up to five (5) of the vacation days (or up to ten (10) if five days have been carried over from the previous year) may be taken during scheduled student instructional days. The scheduling of vacations shall be made by the administrator with the superintendent's consent so as not to interfere with the operation of the Naples Central School District.

In addition to vacation days, thirteen paid holidays shall be designated as follows: New Year's Day, Martin Luther King Day, Presidents' Day, Good Friday, Memorial Day, July 4, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, day after Thanksgiving, and two days at Christmas (one of which will be Christmas Day).

Administrators may use vacation days when school is closed due to emergency conditions with the superintendent's approval.

In certain circumstances as determined by the superintendent, administrators will not be charged vacation days when school is closed due to emergency conditions.

ARTICLE VI

Retirement

Retirement and Severance Bonus

Members of the Association shall receive a retirement or severance bonus equal to the number of years of service to the Naples Central School District times 1.5% times the final year's annual contracted salary. To be eligible, the member must submit a formal letter of resignation to the Board of Education by June 30th of the year prior to the retirement or severance. The member must retire under the N.Y.S. Teachers' Retirement system or sever full-time employment in the State of New York for any entity belonging to the N.Y.S. Teachers' Retirement System.

If for any reason the member does not retire under the N.Y.S. Teachers' Retirement System or becomes full-time employed by an entity belonging to the N.Y.S. Teachers' Retirement System, the member within six (6) months of doing so must repay the District in full for any and all payments made under the provision of this clause.

The District shall make a non-elective employer contribution equal to the calculated value of the bonus to the designated 403b plan of the member. In the event that the calculated bonus of the non-elective employee contribution amount exceeds the annual limit as established by the Internal Revenue Service, such excess amount shall be distributed up to the maximum annual limit in July of the following year and years thereafter until such time as the non-elective employer contribution is fully deposited in the member's 403b account.

ARTICLE VII

Leaves of Absence

Sick Leave.

Up to fifteen (15) days per year fully paid leave shall be available for the following reasons: personal illness, physical or mental disability of the administrator or illness or death in the family, defined for this purpose as the administrator's spouse, child, stepchild if the administrator has been or is the responsible caregiver, mother, father, sister, brother, grandparents, or mother-, father-, sister-, or brother-in-law. Grandchildren, step-parents, aunt or uncle shall be included in this definition in the case of death in the family. All leaves under this agreement run concurrently with leave provided by the Family and Medical Leave Act which is hereby adopted, and no reinstatement rights of that act are waived or modified by this agreement except as provided expressly by this agreement.

Sick leave days unused at the end of each school year will be added into the administrator's accumulated sick leave total for the following school year, to a maximum of 220 days. Any accumulated sick time beyond the 220 days will be reimbursed at \$40 per day.

On the first day of each school year, the administrator shall be credited with an additional fifteen (15) sick leave days, and in the case that accumulated sick leave days have reached the maximum, the additional fifteen (15) days shall also be credited to permit a maximum during that year of 235 days available.

Sick Leave Bank – The district shall establish a sick leave bank with the intent of protecting bargaining unit members from financial burden due to catastrophic, serious illness or injury. Upon ratification, each member of the bargaining unit shall have the opportunity to elect to participate in the Sick Leave Bank by filing a signed authorization statement with the business office no later than October 1st

of each year or within 30 days of employment. A current administrator who elects to participate in the sick leave bank shall contribute five (5) days during his/her first year of participation. The district agrees to contribute days to the sick leave bank to match the initial and future total number of days contributed by unit members. First year administrators will contribute five (5) days which will be matched by the district. Upon retirement, a unit employee shall forfeit sick leave days previously contributed to the sick leave bank.

A committee consisting of an administrator selected by the administrative unit, the superintendent and a board member shall administer the bank. The committee shall establish procedures for applying to, and contributing days to, the sick leave bank. The participant must, upon request of the committee, submit to the committee suitable written verification of the participant's medical condition by his or her attending physician. The committee may in unusual circumstances request additional contributions by members during the school year.

Personal Leave Personal leave is for the transaction of personal business which cannot be conducted outside of the normal work day. Such leave is not available for recreational purposes. If a request is made for the use of a personal day either immediately prior to or after a vacation period, a reason must be stated on the request for personal day use. Acceptable reasons for the use of such leave are: funerals, college activities, and weddings in the immediate family, as well as educational conferences and retirement conferences/meetings. Approval of leave at these times will be limited to no more than two members of the administrative staff at one time.

The administrator will be allowed up to five (5) days personal leave per year, deductible from sick leave, upon the following conditions.

Written application for such leave must be made to the superintendent at least 48 hours in advance of the date requested, except in emergency situations. Approval of the superintendent is a prerequisite to the taking of such leave.

Bereavement Up to 3 days (4 if the funeral is over 150 miles one way) are available per year for bereavement. This leave may be used for deaths of those people as listed under Section 1 of Sick Leave, above. This leave is non-accumulative and non-reimbursable. If additional days are needed they will be deducted from sick leave.

Jury Duty and Legal Leave If subpoenaed as a witness or juror, the administrator will be paid the difference between the fee received as such witness or juror and the per diem rate of salary. Such absences are not deductible from sick or personal leave.

Extensions Any extension of leave concerning personal illness or illness or death in the family will be determined by the board of education, in its discretion.

Conferences and Visitations The administrator is encouraged to attend conferences and visit other schools. Requests for such conference days should be made to the superintendent and must have his/her approval.

Unpaid Leave A one-year leave of absence without pay may be granted by the board of education in its discretion. Under some circumstances fringe benefits may be allowed during such leave.

Childrearing Leave

1. Unpaid childrearing leave shall be available upon the following terms:
 - (a) Written notice of a request for childrearing leave is to be delivered to the superintendent as soon as possible.
 - (b) Such request shall include the estimated or intended date of commencement of such leave, and the intended date for return to work; generally, such return is to be at the beginning of a semester.
 - (c) Childrearing leaves must have the approval of the board of education upon recommendation of the superintendent.

- (d) While on childrearing leave, the administrator shall be entitled to such benefits, if any, as district policy and/or law, requires.
2. Unpaid adoptive leave is available, upon the same terms, and as follows:
- (a) Written notice of a request for adoptive leave is to be delivered as soon as possible after the notification of adoption is made by the adoption agency.
 - (b) At such time, the administrator shall notify the superintendent of the date he/she wishes to commence and terminate such adoptive leave; generally, such return date is to be at the beginning of the semester.

Sabbatical Leave Program Sabbatical leave may be available to not more than one member of the administrative unit at any one time, and shall be available only to staff members who have served the district for at least six (6) years, and who have been recommended for the sabbatical leave by the superintendent and approved for such leave by the board of education. Each sabbatical leave application shall be treated on a discretionary basis by the board of education.

The purpose of the sabbatical leave must provide a benefit to the district and the students of Naples Central. It must be for a duration of up to one or two collegiate semesters to be aligned with Naples Central academic semesters. Pay during the sabbatical leave will be at a rate of one-half (1/2) the ordinary pay rate for a sabbatical leave of a full school year, or full pay for a sabbatical leave of one semester.

The recipient of a sabbatical leave must return and perform at least three (3) years of service at the Naples Central School after completion of the sabbatical. A recipient of a sabbatical leave must agree to reimburse the district in full for salary and benefits received during the terms of the sabbatical pro-rated to the

extent he/she fails to continue in performance of duties at Naples Central for the three (3) years following the leave.

The deadline for submission to the superintendent of a written application for a sabbatical leave for the following school year or portion thereof is one week prior the first regular board of education meeting in December prior to the school year for which the request is made. The written application must state the purpose, institution, itinerary, course work to be taken, and the proposed benefits to the school district. The applicant will receive notice of acceptance or denial of the proposed sabbatical program within one week after the first regular board of education meeting in February.

In considering applications for sabbatical leaves, the superintendent and the board of education will take into account:

1. The best interests of the district;
2. Potential for professional growth of the recipient;
3. The strengthening of an area within the district;
4. Future personnel needs of the district;
5. Length of service of the applicant; and
6. Distribution of sabbatical awards.

Full health plan benefits and protection of seniority will occur if the reports have been satisfactory in nature, and the program has been satisfactorily completed. No individual on sabbatical leave shall be entitled to any extracurricular salary payments. These guidelines may be waived by the superintendent upon approval of the board of education.

ARTICLE VIII

Job Elimination

In the event that the district is considering the elimination of any bargaining unit position, the association will be notified in writing. Such notice will be made no later than ten (10) calendar days before the proposed elimination is presented to the board of education for decision. The board will, if requested by the association, meet to discuss the elimination with the representatives of the association. The discussion will include, but will not be limited to, possible alternatives to the elimination. The district will provide health insurance to the administrator terminated due to the job elimination for a period of 90 days after termination unless employed elsewhere and/or it is an administrative cap violation.

Voluntary Resignation

In the event the administrator wishes to terminate this contract with the Naples Central School District, notification will be made to the board of education at least sixty (60) school days prior to the anticipated resignation date unless waived by the superintendent and the board of education.

In the event the administrator resigns prior to the expiration of this contract, the district's compensatory obligation to the administrator is terminated on the effective date of the resignation.

Ethics

Both the board and the administrator agree to abide by the Code of Ethics of the New York State School Boards Association and the New York State Council of School District Administrators.

ARTICLE IX

Evaluation

The evaluation of unit members shall be conducted in accordance with the Annual Professional Performance Review (APPR) plan negotiated between the Association and the Superintendent of Schools. In the event there is a conflict between any provision of the APPR plan and this collective bargaining agreement, the terms of the APPR plan shall prevail.

ARTICLE X
