Dear School Board Candidate:

Attached is a Nominating Petition for your candidacy. Nothing in the Education Law specifies the earliest date that candidates may begin collecting signatures on nominating petitions, however, the closing date and time is established in accordance with NYS Law (EDN 2608.1). The filing deadline is on or before the thirtieth day preceding the election. For the **May 21, 2024** election in the Naples Central School District, petitions must be received in the Office of the Clerk of the Board of Education at Naples Central School, 136 North Main Street, Naples, NY 14512 by **5:00 PM on Monday, April 22, 2024**. It is recommended that you not wait until the last day to file.

The signatures of twenty-five qualified district voters are required, but it is recommended that additional signatures be obtained, in case any are invalidated for some reason. A qualified voter is a citizen of the US, at least 18 years old and a resident of the school district for at least 30 days immediately prior to the election. A person need not be a registered voter to satisfy the legal definition of a qualified voter for purposes of signing a school board nominating petition. Generally, there is not a limit as to the number of nominating petitions a qualified voter may sign in a school district election. All persons must sign their name *in ink* and note their legal residence (*PO Boxes are not accepted*). Printed signatures are not valid.

A drawing to determine the position of candidates' names on the ballot will be conducted by the District Clerk on **Tuesday, April 23, 2024**; candidates or their designated proxies may attend. The District Clerk will act as proxy for any candidate who is not present and hasn't designated a proxy in writing. *Our usual procedure is to have our students participate in the process and draw the candidates' names.*

Finally, please note that, pursuant to NYS Education Law §1529, School Board candidates are required to file campaign contribution & expense statements. Further information regarding this requirement is attached.

Sincerely,

Pamela Jo Claes
District Clerk

To Board of Education Election Candidates:

According to New York State Law, the day after the last possible date for candidates to file a petition, the Deputy District Clerk will conduct a drawing to determine the order of the board candidates' names on the voting ballot. In the event a candidate is not present in person, and he/she has not designated by written proxy a person to accomplish the drawing, the Deputy District Clerk shall be authorized to act as proxy. Our tradition at Naples has been to involve students in the voting process by having them draw the candidates' names for the positions on the voting ballot.

In the event you are not planning to be present for the drawing and you have not designated by written proxy a person to take your position, please indicate below if you are willing to have a student draw in your place for your position on the ballot.

Dear School Board Candidate:

In accordance with Article 32, Section 1528 to 1531 of the Education Law, a candidate for school board membership is required to file three statements in regard to campaign expenditures and contributions. All statements must be sworn before a notary public (Pam Claes and Michele Barkley in the District Office are Notaries; or a public official authorized by New York State Law to administer oaths). The filing deadlines for these statements are as follows:

1. A preliminary statement must be filed no later than 30 days before the election (April 22, 2024);
2. A second statement must be filed no later than 5 days before the election (May 16, 2024); and
3. A third and final statement must be filed within 20 days after the election (June 10, 2024).

Additionally, if a candidate receives a contribution or loan in excess of \$1,000 after the closing date for the most recent required statement, but before the election, the candidate must report it within 24 hours after its receipt.

A candidate who has campaign expenditures of \$500 or less and who receives \$500 or less in campaign contributions may file a sworn statement with the District Clerk indicating that neither his or her expenditures nor contributions exceeded \$500.

A candidate whose expenses and/or contributions exceed \$500 must file an itemized statement accounting for his/her campaign expenditures and contributions with the District Clerk and an additional statement with the Commissioner of Education, NYS Department of Education, Room 876 EBA, Albany, NY 12234. The itemized expenditure statement must list all moneys or other valuable things, paid, given, expended or promised by the candidate or incurred for or on his or her behalf with his or her approval, by any person, firm, association or corporation, to aid his or her own nomination or election, or to aid or influence the nomination or defeat of any candidate to be voted for at the election. A candidate's itemized contribution statement must include the dollar value or fair market value of the contribution and the name and address of the contributor. If the contributor is a political committee as defined by Election Law section 14-100, the statement must include the name of the committee and the political unit represented by the committee. Candidates must report any receipt, contribution or transfer.

Failure on the part of any candidate to file a statement, or to file one that conforms to the requirements of the law, can result in a legal proceeding to compel filing. The law expressly authorizes the institution of such a proceeding before a Justice of the Supreme Court by any other candidate voted for at the election or by any five qualified voters.

Sincerely,

Pamela Jo Claes
District Clerk
